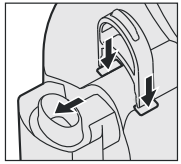
Quick Start Guide

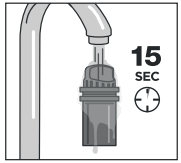
Model PDS1820W

1



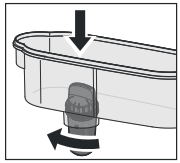
Dispenser dishwasher safe, handwash spigot. **Remove** spigot with horseshoe shape tool from underside of tank.

2



Rinse filter for 15 seconds.

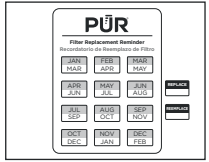
3



Install filter then **twist** and **lock** to align.

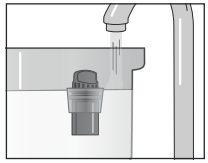
For detailed instructions / Para instrucciones en español: **PUR.com/Support**

4



Set calendar cling for **2 month** filter replacement reminder.

5



Fill reservoir with cool tap water and **enjoy!**

Tip: Our modern, semi-translucent finish is an elegant upgrade from a traditional dispenser. Unlike clear dispensers, the best way to view the water level is from the side.
