Cryo°Sleeve

Ø150 M | Ø200 L

Designed for the hands, knees and elbows. Available in M & L sizes.

Cryo°Massager

Ø35 S | Ø70 M

The favourite of many physio-therapists and masseurs, for providing a simultaneous cool-ing and massage.

Cryo°Spot

Ø12 S | Ø20 M

Suitable for small joint areas or skin lesions. Standard two sizes.

Cryo°Foot

Designed for ankles, soles and Achilles tendons.

Cryo°Mask

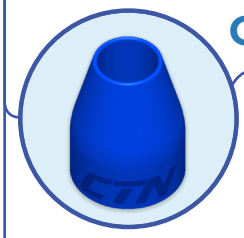
Refresh your complexion with cryofacials, which tighten pores, reduce puffiness and promote collagen production.

*DIAMETERS Ø IN MILLIMETERS

CTN.FI

Cryo°Meter°

Designed to connect to the X°CRYO™ hose for temperature monitoring and ease of use. Compatible with the Cryo°Cups and the Cryo°Nozzle.



Cryo°Nozzle

Ø25 L

The Cryo°Nozzle helps target smaller areas and is compatible with the Cryo°Meter™.

Cryo°Cup

Ø60 XS | Ø90 S | Ø130 M | Ø180 L

The Cryo°Cup applicators are suitable for a variety of areas, compatible with the Cryo°Meter™.
