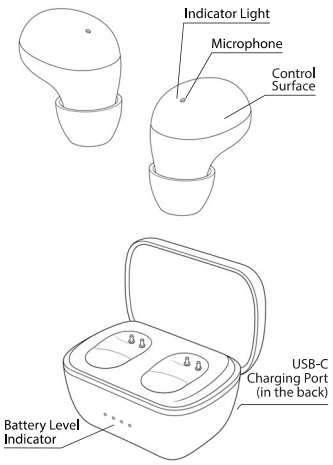
Operation Guide



Getting Started

Before using this device, fully charge it. Charging instructions can be found on page 6.

Open the charging case and take out the earbuds and place them in your ears. The earbuds will pair to each other automatically.

Pairing

1. Go to Bluetooth® Settings on your mobile device.
2. Turn Bluetooth® ON, on your device.
3. On your Bluetooth® device, select "**BY-BE-231**" from the list of available devices.
4. One of the earbuds LEDs will flash blue and red to indicate they are connected.

Using Siri or Google Assistant

On either earbud, triple tap the control surface - AI assistant signals its activation.*

*The AI assistant on your device must have been previously set up prior to this operation.

pages 3 & 4

4

Basic Functions

Right Earbud:

- Tap the control surface to play or pause the audio.
- Long press for 1-2 seconds to skip to the next audio track.
- Double tap to raise the volume.

Left Earbud:

- Tap the control surface to play or pause the audio.
- Long press for 1-2 seconds to skip to the previous audio track.
- Double tap to lower the volume.

Phone calls:

When there is an incoming call, the unit will pause the playback and ring to alert you of the call. Phone call functions work the same on either of the earbuds.*

To answer an incoming call, single tap the control button of either earbud. To end a call, single tap the control surface. To reject an incoming call, Long press the control surface for 2 seconds.

*Volume controls may not work during phone calls with some smartphone models.

pages 5 & 6

5

Power ON/OFF

- Long press control surface of the left or right earbud for 3 seconds to turn ON the earbuds (the earbuds will automatically power ON when removed from the charge case).
- Long press control surface of the left or right earbud for 5 seconds to turn OFF the earbuds (earbuds will automatically power OFF when placed in the charge case).
- If for any reason you move out of the range of the device you are listening to while using this product, the earbuds will disconnect. When you are back in range you may need to perform the pairing procedure again as this depends on battery life. If the earbuds are powered on and are disconnected from a Bluetooth® device for more than 3 minutes they will power off.

6 7

Charging

1. Replace the earbuds in the case.
2. Connect the USB-C charging cable to the charging port on the back of the charge case.
3. Plug the cable into a standard USB 5V/1A or higher power output.
4. When the charge case is charging, the indicator light will stay solid blue. When fully charged, the blue light will shut off.
5. If you want to charge the earbuds from the charge case internal battery, simply replace them in the case. They will begin charging from the built-in case battery. Earbuds will glow solid red and charge case indicator light will glow solid blue while charging. The lights will shut off after they are fully charged.

Warnings

- Do not use this unit for anything other than its intended use.
- Do not puncture, throw, drop, bend, or modify this product.
- Do not throw this product into fire or water.
- Do not short-curcuit the battery with any metal or metallic objects.
- Do not expose this product to corrosive liquids such as salt water.
- Do not operate the unit if it has been wet or moist to prevent against electric shock and/or injury to yourself and damage to the unit.
- Do not allow children to play with this product as it is not a toy, and may present a choking hazard.
- Avoid leaving your device in direct sunlight, such as on the dashboard, console, or seat of a vehicle.
- Do not leave your device, or use your device, in any area where the temperature is likely to drop below 32°F, or may exceed 140°F, such as inside a closed vehicle on a hot day.
- Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.
- Protect your hearing by always listening at a safe level. Prolonged use at elevated volumes may affect your hearing capacity and could result in hearing loss.
- Use the earbuds with this charging case only.
- To avoid damage to the charging case, please only use a USB 5V/1A or higher charger.
- In order to ensure the battery life, charge normally at least once a month.
- Keep this product away from high frequency transmitter equipment, this will affect the local signal reception, resulting in sound breakup and distortion or disconnection.

FCC ID: 2AHN6-AUBE231
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.

* RF warning for Portable device:
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
