SETUP DIAGRAM

REMOTE CONTROL

Do more on your TV with your voice

Search for shows, get recommendations, even control your TV – faster – with your voice. Ask Google for a little help on your big screen.

REMOTE CONTROL

Pairing guide

Long press the Back and Home button at the same time until the red light flashes quickly, then release. This means the remote control has entered pairing mode. Wait for a few seconds without pressing any buttons until a message pops up on the screen that the remote has paired successfully.

SETUP

Complete the on-screen setup

Follow the on-screen instructions using your remote to navigate through the setup process.

Add: 11th Floor, Kangtai Group Building, No. 222 Kefa Road, Science and Technology Park Community, Yuehai Street, Nanshan District, Shenzhen, China CE DOC Hereby, SEI Robotics declares that the radio equipment type Box Lite 4K V2 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: https://www.seirobotics.net/sei900bhmig-29.html The WLAN function for this device is restricted to indoor use only when operating in the 5150 to 5350MHz frequency range.	Frequency range Bluetooth technology uses the 2.4 GHz ISM spectrum band (2400MHz to 2480 MHz). Operation Frequency band Bluetooth: 2400MHz-2480MHz (79 channels) 2.4G WIFI: CH1-CH13/2400-2483.5MHz 5G WIFI: CH36-CH48/5150-5250MHz, CH52-CH64/5250-5350MHz, CH100-CH144/5470-5725MHz, CH149-CH165/5725-5850MHz RF Effective Isotropic Radiated Power, EIRP 2.4G WIFI: EIRP<20dBm Bluetooth: EIRP<20dBm 5G WIFI: 5150-5250MHz: EIRP<23dBm, 5250-5350MHz: <20dBm, 5470-5725MHz: <20dBm, 5725-5850MHz: <18dBm This device complies with relevant RF radiation exposure limits when positioned at least 20 cm away from your body. Caution Operating Temperature: 0℃ ~ 70℃	CAUTION! NOTICE: To prevent fire and electric shock, do not expose this device to rain or moisture. In order to avoid any possible risk of electric shock, never attempt to open the unit. In case of the unit breaking down, repair of the unit should be carried out by qualified technicians. No part of this unit should be repaired by users. • Place the device in a well-ventilated location to prevent accumulation of internal heat. • Protect the device from high temperatures, humidity, water and dust. • Do not place any objects that might damage your unit near it (e.g. liquid filled objects or candles). DC Input Range	12V 1A																																												
Power Consumption	Maximum 12W																																												

FCC Caution:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.If this equipment does cause harmful interference to radio or television reception,which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

-- Reorient or relocate the receiving antenna.

-- Increase the separation between the equipment and receiver.

-- Connect the equipment into an outlet on a circuit different

from that to which the receiver is connected.

-- Consult the dealer or an experienced radio/TV technician for help.

To maintain compliance with FCC 's RF Exposure guidelines, This equipment should be installed and operated with minimum distance between 20cm the radiator your body: Use only the supplied antenna.

技术要求:

1. 成形尺寸：95 * 95mm

2. 产品不能变形、压痕、划伤、脏污等缺陷

3. 图案文字印刷清晰，色差在允许范围内

4. 风琴折

5. 80g书纸，4C
