⚠WARNING

Read this material before using this product. Failure to do so can result in serious injury. SAVE THIS MANUAL.

Specifications

Input Rating	5VDC / 2A
Output Rating	5VDC / 2A
Battery	3.7V / 5000mAh Li-Ion

IMPORTANT SAFETY INFORMATION

⚠WARNING

To prevent serious injury, FIRE, and EXPLOSION:

1. Keep dry.
2. Only use included charging adaptors. Other adaptors may damage tool or cause fire.
3. Do not submerge Light.
4. Do not operate in explosive atmospheres, such as in the presence of flammable liquids, gases, or dust.
5. People with pacemakers should consult their physician(s) before use. Electromagnetic fields in close proximity to heart pacemaker could cause pacemaker interference or pacemaker failure.
6. Not a toy. Keep out of reach of children.
7. Contains Li-Ion battery. Battery must be recycled or disposed of properly. Do not open, crush, heat above 140°F or incinerate.

Charging Instructions

Read the ENTIRE IMPORTANT SAFETY INFORMATION section at the beginning of this document including all text under subheadings therein before set up or use of this product.

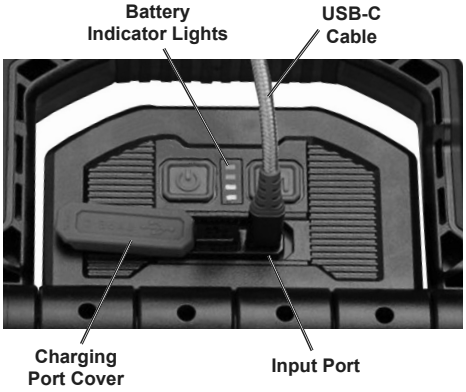

CAUTION! TO PREVENT INJURY: Do not leave Work Light unattended while charging. Charging should be done by adults only.

WARNING! TO PREVENT SERIOUS INJURY: Charge on a non-flammable surface in a well-ventilated area. Do not use the Work Light while it is being charged.

Note: Before using the Work Light for the first time, fully charge the Battery.

1. Open Charging Port Cover on back of Work Light and plug included USB-C Cable into Input Port. Plug other end of Cable into USB-A power source.
2. Battery Indicator Lights will flash while charging, indicating charge level. All four Indicator Lights remain lit when fully charged.
3. After charging is complete, disconnect Charging Cable from Work Light and power source. Close Charging Port Cover.

NOTICE: TO PREVENT PROPERTY DAMAGE: Do not leave Battery in a discharged state. Charge Battery every 3 months if Work Light is not in use to keep Battery from wearing down. Do not charge Work Light at temperatures below 40°F.

Operation Instructions

Read the ENTIRE IMPORTANT SAFETY INFORMATION section at the beginning of this document including all text under subheadings therein before set up or use of this product.

Note: Before using Work Light for the first time, fully charge the Battery.

Work Light

1. Adjust Handles to desired positions. To use Magnets, bring Handles together and place on magnetic surface. Adjust Light Panels to desired position.

2. Press Power Button on back to select from three operating modes: single Light ON, dual Lights ON, and OFF.
3. Press Mode Button on back to select between high and low brightness modes.

Note: Work Light remains in last setting used.

4. When finished, turn Work Light off and store indoors away from children.

Charging USB Devices

1. Verify Work Light is fully charged, or recharge as needed. See *Charging Instructions* on page 2.
2. Open Charging Port Cover on back of Work Light and plug Charging Cable into Output Port.
3. Plug other end of USB-C Cable into device to begin charging.

Note: During device charging Battery Indicator Lights will display remaining power level in Work Light.

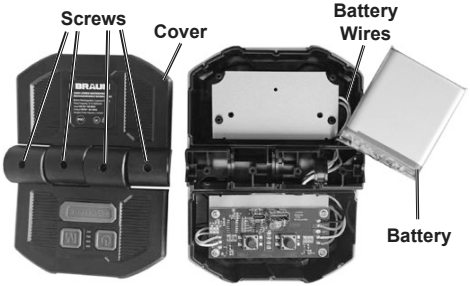

4. Recharge Work Light as needed.
5. After charging is complete, disconnect USB-C Cable from device and Work Light. Close Charging Port Cover and store indoors away from children.

Battery Disposal Instructions

Note: Contains Li-Ion battery. Battery must be recycled or disposed of properly.

1. Unplug USB-C Cable from Work Light.
2. Remove four Screws from back of Work Light, then remove Cover.
3. Cut Battery Wires.
4. Remove Battery.

Limited 90 Day Warranty

Harbor Freight Tools Co. makes every effort to assure that its products meet high quality and durability standards, and warrants to the original purchaser that this product is free from defects in materials and workmanship for the period of 90 days from the date of purchase. This warranty does not apply to damage due directly or indirectly, to misuse, abuse, negligence or accidents, repairs or alterations outside our facilities, criminal activity, improper installation, normal wear and tear, or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the merchandise. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

FCC Statement

Changes or modifications not expressly approved by Harbor Freight Tools could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

— Reorient or relocate the receiving antenna.

— Increase the separation between the equipment and receiver.

— Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

— Consult the dealer or an experienced radio/TV technician for help.

Record Product's Date Code Here:_____

Note: **If product has no date code, record month and year of purchase instead.**

Note: Replacement parts are not available for this item. Refer to UPC 193175553423.
