

SILVERSTONE[®]
Designing Inspiration

MS04

manual

This is a unique product, please read the following detailed installation guide we have prepared meticulously for you.

1.Prepare for installation (3.5" hard drive shown must be purchased separately)

2.Remove two screws located on the side with the air mesh grille

3.Pull and slide out the internal tray

4. Connect both IDE cable and 4pin connector to your 3.5" hard drive as shown

5. Secure the hard drive by inserting and tightening four screws on both sides of the tray

6. Slide the assembled tray back into the MS01 enclosure. Take great care to ensure that no wires or cables are caught in between the enclosure and the tray
