Car/Truck Curb Ramp

PYLE[®]
PyleUSA.com

USER GUIDE

These Car/Truck Curb Ramps are designed to provide a smooth transition over curbs, thresholds, and uneven surfaces for a wide range of vehicles. Built from rugged, marine-grade synthetic rubber, each ramp supports up to 11,000 lbs., making them ideal for cars, trucks, trailers, RVs, and forklifts.

Features:

- Vehicle Curb-Side Ramps
- Car & Truck Threshold Bridge Track Style
- Rugged & Heavy Duty Design
- Track Piece, 4' ft. Length (Each)
- Marine Grade Waterproof-Rated Construction
- Textured-Style Surface for Increased Friction / Traction
- Integrated Cut-Out Holes for Permanent Mounting, Optional
- Used for Un-Even Curbs, Driveways, Gutters, Garages, Sidewalks
- Universal Vehicle Application: for Car, Truck, Trailer, RV, Hi-Lo Forklift
- For Home, Office & Business Applications
- Indoor / Outdoor Use

Technical Specs:

- Load Capacity: 11,000 lbs. MAX
- Construction Material: Engineered Synthetic Rubber
- Total Ramp Size (L x W x H): 48.0" x 16.0" x 2.6" -inches (Each)

Safety Precautions

- Do not exceed the 11,000 lbs. weight capacity.
- Ensure ramps are placed on a flat, non-slip surface before use.
- Avoid sudden acceleration or braking when on the ramps.
- Always inspect ramps for damage or wear before use.
- Not for use on excessively steep inclines or unstable terrain.

California Prop 65 Warning

What's in the Box

- (2) Car Curb Ramps

Installation Instructions

1. **Positioning:** Place the ramps on a flat, stable surface aligned with the curb or threshold. Ensure both ramps are evenly spaced for the vehicle's tire width.
2. **Permanent Mounting (Optional):** If desired, use the integrated cut-out holes to secure the ramps using bolts or anchors suitable for the surface type (e.g., concrete, asphalt).
3. **Usage:** Slowly drive the vehicle over the ramps, maintaining a steady speed and steering straight for safe crossing.

Cleaning, Maintenance & Storage Guide

Cleaning

- Rinse with water to remove dirt, mud, or debris.
- For stubborn grime, use a mild soap and a soft brush.
- Avoid using harsh chemicals or solvents that may damage the rubber.

Maintenance

- Regularly check the ramps for cracks, warping, or wear.
- Ensure mounting holes are clear and undamaged if using permanent installation.
- Store the ramps in a dry area when not in use to prolong product life.

Storage Instructions

- Store in a cool, dry location away from direct sunlight.
- Stack or lay flat to avoid bending or warping.
- Do not place heavy objects on top of the ramps during storage.

Register Product

Thank you for choosing PyleUSA. By registering your product, you ensure that you receive the full benefits of our exclusive warranty and personalized customer support. Complete the form to access expert support and to keep your PyleUSA purchase in perfect condition.
