SQUATZ

Installation

1. Install the foot end caps on the legs (these may have been installed already).
2. Assemble the side legs; fix them with bolts.
3. Connect the crossbars with the two side legs via bolts.
4. Tighten all the screws to make sure the rack is solid.

Attention!

- Always remove the dumbbells before adjusting the depth of the tubes.
- Always remove the dumbbells before moving the rack.
