GENESIS01

75% Wirelss Mechanical Gaming Keyboard

User Manual

产品说明书

biaXbew was born in 2023, inspired by a group of gamers' purest passion and pursuit of gaming.

"bia" is the crisp crack of a revolver firing—symbolizing the powerful aesthetics of machinery and rationality.

"bew" is the swoosh of a laser weapon in a sci-fi film—symbolizing the pioneering aesthetics of the future and imagination.

We believe that science fiction is built on mechanical geometry, while imagination is shaped by rational principles. By infusing geometric aesthetics into every gaming peripheral, we create products that embody both the cool precision of industrial design and the warmth of the future.

biaXbew

Product name: GENESIS01 Keyboard
Ratings :Input DC 5V~700mA

System Requirements: Windows,Mac,iOS,Android
Weight: =1450g
Dimension: ≈343.4(L), 131.9(W), 42.7(H)mm

- Packing List:

  Keyboard Main Unit×1　　USB-A to USB-C Cable
  Switch & Keycap Puller×1　2.4G Receiver×1
  User Manual×1　　Spare Switches ×4

- Use the cable to connect the keyboard and computer.
  When the light is on, they connect successfully.

- Wired Name: Genesis01 Keyboard
  Number of Keys: 84 Keys
  Bluetooth Version: V5.0
  Bluetooth Name: Gen01_5.0
  2.4G Name: 2.4G Wireless Keyboard
  Wireless Transmission Distance: ⩽10M

  Capacity: 4000mAh
  Battery Life:
  - Bright Mode 17H
  - No-Light Mode 200H
  - Power-Saving Mode 2000H

BIAXBEW Hive Web Driver

Please access and use the Hive drive through the following link:

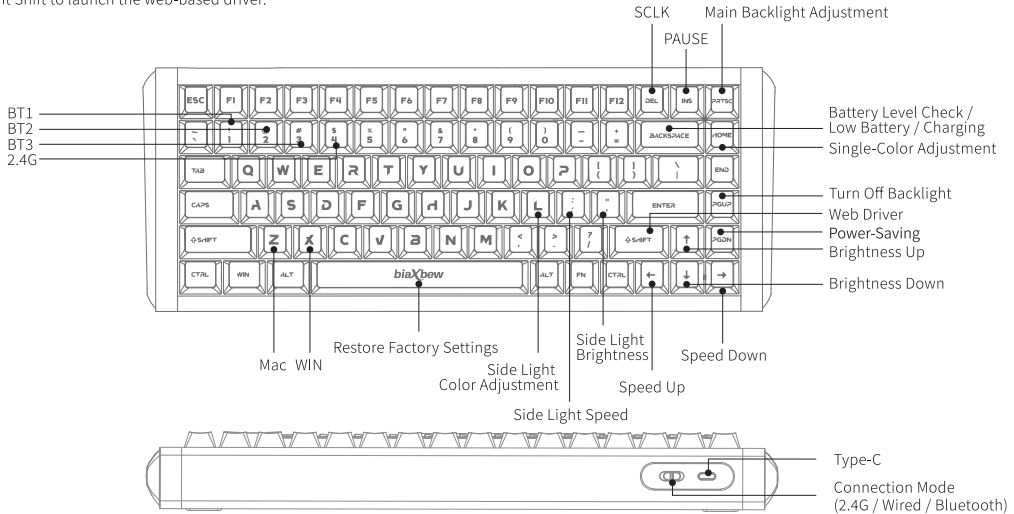

http://hive.biaxbew.com

BIAXBEW Hive is our self-developed software for managing peripherals. It lets you program and customizeany BIAXBEW keyboard. Specifically for BIAXBEW Keyboards, it offers the following functions:

Fn＋右Shiftキー：Webドライバーを起動

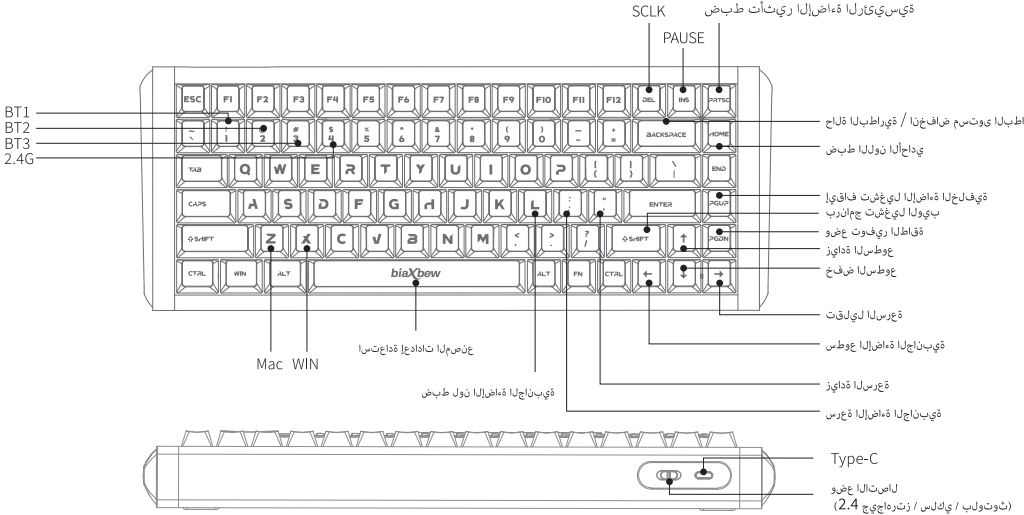

DESCRIPCIÓN DE FUNCIONES

Fn + Shift derecho = abrir el controlador web

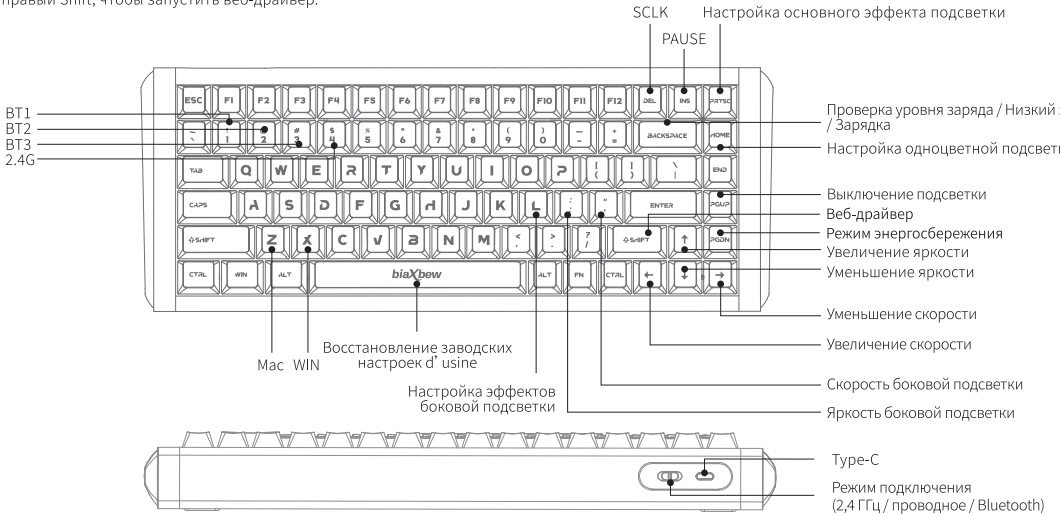

شرح الوظائف

Fn + Shift الأيمن = تشغيل برنامج التشغيل عبر الويب

Описание функций

Нажмите Fn + правый Shift, чтобы запустить веб-драйвер.

关于我们

About
BIAXBEW

BIAXBEW诞生于 2023 年，源于一群玩家对游戏最原始的追求与热爱。
“bia”，是左轮击发时的那一声脆响——象征机械与理性的暴力美学；
“bew”，是科幻电影里激光武器的呼啸——象征未来与想象的先锋美学。
我们相信：科幻以机械几何为骨，想象以理性规律为界。将几何美学注入每一件外设，让玩家握在手中的，既是工业之冷峻，也是未来之温度。

FCC Caution

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception,
which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help.
The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure condition without restriction.

Disposal of your old product

Your product is designed and manufactured with high-quality materials and components, which ean be recycled and reused.
When this crossed-out wheeled bin symbol is attached to a product, it means the product is covered by the European Directive 2012/19/EU.
Please check your local regulations for the proper collection and disposal of electrical and electronic equipment.
Do not dispose of your old products with regular household waste.
Proper disposal of your old product helps prevent potential negative consequences for the environment and human health.
