Oliveri | Inspirational designs

The kitchen is the heart of your home. From the time you wake up in the morning right through to late night entertaining, your kitchen plays a major role. Beyond basic practicality, today's kitchens and the various elements that create them are also the centrepiece of style and innovation. It is this pursuit of design excellence that provides

the inspiration behind the latest range of Oliveri sinks. The Oliveri sinkware range has been created to enhance and complement the other appliances in your kitchen. The clever use of custom accessories transform your Oliveri sink into a total food-processing centre, without ever sacrificing your precious bench space. If it's not an Oliveri, it's a compromise.

MO793 shown with AC73 Stainless Steel Utility Tray, AC72 'D' Colander, AC74 Solid Timber Preparation Board all supplied as standard. Shown with optional extra MG513 Mixer Tap.

Monet | A modern masterpiece

Not even the Europeans can match the style and refinement of the Oliveri Monet. The Monet's modern design and soft curved ends are designed to beautifully complement the other stylish items in your kitchen. However, to be a valuable addition to your kitchen, beauty alone is not enough. The Oliveri Monet affords you the best of both worlds by blending refined elegance with unparalleled practicality.

AC73 Stainless Utility Tray
Extend the versatility of your Monet sink.

Stylish Curved Ends
Complements other items in your kitchen.

Optional Linen Finish (MO701L, MO702L)
Enhances the scratch resistance of your Monet.

Included Accessories

'D' Colander

AC74
Solid Timber
Preparation Board

AC73
Stainless Steel Utility Tray
(MO793, MO763, MO715)

MO793 shown with MG513 Mixer Tap as an optional extra.

Features

'D-Shaped' Extra Capacity Main Bowl
The Monet's design allows for a larger capacity main bowl without a reduction in drainer space.

Off-Centre Outlets
By placing the drain outlets to the rear of the bowl the Monet helps to maximise the precious storage space available under your sink.

Generous Capacity $\frac{3}{4}$ or $\frac{1}{2}$ bowl
The larger capacity of Monet's secondary bowls make them wonderfully practical and genuinely useable.

Tap Landing
The Monet's purpose designed tap area is easy to clean and has been precision engineered to accommodate most brands of mixer taps.

18/10 Stainless Steel
Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability.

Oliveri Logo
The Oliveri signature represents over 50 years of world class sinkware manufacture in Australia. If it's not an Oliveri, it's a compromise.

Solitaire | The versatile all-rounder

As simply elegant stand alone bowls or stunning combination models, Solitaire sinks combine beauty with functionality. This versatile range is designed to install into all types of modern benchtop materials and features an array of clever accessories that assist in maximizing your precious bench space. A multipurpose stainless steel utility tray with protective rim is included as standard with double bowl models.

Teardrop Tap Landing
Keeps wet area within the sink (LR515, LR525).

Versatile Utility Tray
For drying, draining and defrosting.

Accessory Lip
Suits Oliveri's custom designed accessories.

Utility Tray (LR563, LR525)

AC50
Solid Timber Preparation
Board (LR521/L, LR522/L)

LR522 sink shown fitted with MV617/6 extendable spray mixer tap.

Features

Large Round Bowl
The large capacity bowl is big enough to handle just about any pot or pan. As shown, this 28cm frypan fits easily into the bowl.

Low Profile Edge
The new low profile edge design is pleasing to the eye and also helps to eliminate a potential dirt trap, making it both aesthetic and hygienic. (LR515 & LR510)

Laundry Choice
Solitaire's well designed bowl depth is easy on your back, but can still accommodate almost any bucket, vase or planter when used with a high arch tap.

18/10 Stainless Steel
Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability.

Curved end design
Soft, curved ends create an attractive, elegant shape to complement your other modern kitchen appliances. (LR521/L & LR522/L)

Petite | Stylish & elegant

The Petite is stylish, elegant and intelligently engineered to set new world standards for stainless steel sinks. The fan-fluted drainers not only look stunning but also efficiently guide more water into the extra capacity, hand finished bowls. When combined with the specialist Oliveri accessories, the Petite is the complete and hygienic food preparation centre and a valuable addition to any kitchen, large or small.

Included Accessories

AC18
'D' Colander

PE353 shown with PS113/1 Mixer Tap as an optional extra.

Features

Large Capacity Bowls
The extra capacity bowl of the Petite is designed to accommodate even the biggest pot, pan or wok, making washing-up easier.

Tap Landing
Petite's flat tap landings eliminate dirt traps and have been designed to suit most modern tapware.

Stylish & Functional
Petite's elegant fan fluted drainer, rounded corners and double rim design provide more efficient draining and splash protection.

Bowl Outlet
The drain outlet on most Petite sinks is towards the rear of the bowl, thus saving you valuable under-sink cupboard space.

18/10 Stainless Steel
Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability.

Ultraform | Functional & affordable

The Ultraform's functional, intelligent design has resulted in a sink that gives you the best of both worlds. The Ultraform D Series sinks features the special extra-deep bowls that make cleaning larger items a breeze, and yet it takes up less valuable bench space than a regular sink. The highly embossed drainer moves the water quickly away, and with 16 models available, there's sure to be an Ultraform to suit your kitchen.

Included Accessories

AC14
Basket Waste

UF05D shown with PS113/1 Mixer Tap as an optional extra.

Features

Deep Bowl

The Ultraform's extra deep bowl allows you to fully immerse even the largest pot or pan for faster washing or soaking.

Efficient Drainer

The Ultraform's embossed drainer not only looks great but is also designed to drain away water more efficiently.

18/10 Stainless Steel

Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability.

Duoform | Practicality & capacity

If you've ever dreamed of a sink with an extra capacity bowl, the Duoform is for you. The mega-size 35 litre bowl is large enough to swallow just about any roasting dish, baking tray or wok and has been ergonomically designed to limit your bending. But this practicality hasn't come at the expense of style. The European inspired design makes Duoform the perfect fashion accessory to any kitchen or laundry.

Included Accessories

Martini | At home behind the bar

Small spaces are a challenge for any sink. How do you retain style and practicality whilst maintaining suitability for small space applications? The Oliveri Martini is up to the challenge, with a compact, slimline design that fits into your bar, boat or caravan. And yet the Martini has all the style and features you've come to expect from every Oliveri sink.

MR502 shown with Mixer Tap PS113/1 as an optional extra.

Features

Slim Width
The Martini's narrow width makes it the perfect choice where space is at a premium.

Low Profile Edge
The low profile edge design is pleasing to the eye and also helps to eliminate a potential dirt trap, making it both aesthetic and hygienic.

Large Capacity Bowl
For it's size, the Martini has a generous bowl. There's no need to compromise in your bar, boat or caravan.

Effective Generous Drainer
The Martini's embossed drainer not only looks great but is also designed to drain away water more efficiently.

18/10 Stainless Steel
Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability.

Accessories | Beyond a sink

The more you use your Oliveri sink the more you'll enjoy its sophisticated and functional design. The larger and deeper bowls make washing up easier and the impressive range of accessories transform any Oliveri sink into a total food processing centre. For instance, take the solid timber preparation board. In the morning you can use it for making sandwiches, at lunchtime it's simply perfect for preparing a salad, and when evening falls it even doubles as a stylish impromptu cheese board. Just one of the quality accessories that make Oliveri more than just a sink.

Tapware | The perfect partner

Oliveri tapware has been selected from the world's finest manufacturers. In order to wear the Oliveri signature it must be of the highest quality, elegant in design and functional. The taps are carefully chosen to complement the clean lines of your Oliveri sink while performing with the utmost reliability when connected to a variety of hot and cold water systems.

Versatile and practical

Rinse efficiently in spray mode; reach effortlessly with the extendable neck.

MV617/6 extendable spray head mixer

From washing vegetables to filling large pots, the Oliveri MV617/6 is a kitchen essential. This European made mixer tap features an extendable shower head that delivers either spray or stream at the flick of a button. It also includes a clever 'soft opening' device which reduces splashes. Like all Oliveri tapware, it is of the highest quality, elegant in design and functional, sourced from one of the world's finest manufacturers.

Oliveri mixer taps have a WELS 3 star water efficiency rating, 9.0 l/m.

MG513 mixer tap with gooseneck spout

This tall, elegant mixer tap has smooth curves to accompany the modern design of the larger Oliveri sinks. A generous spout height allows plenty of room to get the biggest roasting dish underneath, while the simple one-touch control lever responds instantly to your command. This European-made beauty will further enhance the finest Oliveri sinks.

PS113/1 single lever sink mixer

This timeless design incorporates a generous reach swivelling spout with a handle that is smooth and light to operate as well as being easy to keep clean. Finished in bright chrome, this European-made mixer tap is very much at home on any Oliveri sink. The subtle Oliveri signature on the control handle is your sign of quality.

Oliveri Tapware is only available from selected outlets and is suitable for mains pressure water systems.

NOTE: Not all sink models are stocked in countries outside Australia. Check availability with your local distributor (see back cover).

World Class Manufacturing

Over the years, the Oliveri signature has earned its reputation as a mark of excellence in design, function and durability. Overseas markets have also been impressed by the quality and innovative accessories that complement every Oliveri sink. Export sales continue to grow, further establishing Oliveri as one of the world's best stainless steel sinks.

The company began life as a general, domestic and metal fabricator in 1948. The founders pioneered the deep drawing technology in Australia, creating seamless, deep drawn stainless steel bowls.

Tasman Sinkware will continue to develop designs and styles suitable for any application where the highest standards are demanded.

Care & Maintenance

Oliveri sinks are manufactured from genuine 18/10, 304 grade stainless steel, for optimum hygiene and durability. However, no stainless steel sink was ever designed to do battle against hardened metal utensils or food processor blades, without incurring at least a few scratches.

The best prevention against scratching is to exercise a little extra care, or even to use one of Oliveri's accessory baskets when washing cutlery and the like.

To maintain the shine on your Oliveri sink, regular maintenance is recommended with any of the easy to obtain, non-abrasive stainless steel cleaners or metal polishes.

Genuine Oliveri

Beware of imitations as no one can match the quality and design of Oliveri sinks and accessories.

The Oliveri signature embossed into the stainless steel surface, as well as the distinctive Australian style packaging, ensures that your sink is a genuine Oliveri.

Solid Surface Collection

Oliveri's dedicated range of stainless steel sinks specially designed for solid surface benchtops.

Individually Inspected

Each Oliveri sink is individually inspected for quality of construction and finish.

Raw materials are sourced worldwide, and must satisfy the highest standards before being accepted into the manufacturing process.

Tasman Sinkware currently produce their sinks and tubs to "world standard" best practice. The company is Quality Endorsed and all products are manufactured to Standard ISO 9001-2000, your guarantee of quality.

Current designs reflect the most modern and innovative styles and are crafted to suit even the most discerning homeowner.
