Function Introduction :

Operation :

Press the fan switch once to turn on the fan, twice to the second speed mode, triple time to the third speed mode and forth times to turn off.

Charging :

Connect the USB wire to the fan and the red light up for charging. If it is fully charged, the light turn off.

We can use Toofan Mini as a desk fan too.

1. Peel and stick the metal plate sticker on the table.
2. Fan has a magnetic part at the bottom and it will be stick on that metal plate.
3. Enjoy

Note :

1. To be used under adult supervision.
2. Avoid placing the fan in extreme temperatures i.e areas of high humidity or heat.
3. For best performance charge the fan with 2 ampere charger and USB cable.
4. When using for the first time charge the fan for 2 hours. Please keep charging it every 2 months to preserve battery life, if you're not using the fan.
