Mobile service

For help with your Go 2 mobile service plan, contact the wireless carrier who provided the SIM card. If no SIM card was included, visit your wireless carrier to activate a service plan and receive a SIM card.

Go 2 LTE/WiFi Security Camera

Go 2 LTE/WiFi Security Camera

Screw Mount

Screw Kit

Rechargeable Battery

Note: To access the wireless carrier's network, your Go 2 Camera requires an activated SIM card.

Indoor charging cable

August 2022

201-50642-30

Installation

1. Press the release button and separate the camera from the camera housing.

2. Insert the battery.

3. For LTE access, verify that the SIM card is installed and activated.
4. Insert the camera back into the housing.

Set up your Go 2 Camera

1. Download the Arlo Secure App and follow the setup instructions for your camera.

2. We recommend charging the battery indoors before mounting your camera.
