PORCELAIN PULL CHAIN LAMP HOLDER

SKU: 363-4093

To Be Installed and/or Used in Accordance with Appropriate Electrical Codes and Regulations.

Important: Following these instructions correctly will maintain the polarity of a properly wired system. It will not correct an improperly wired system.

Installation Instructions: Installation should be performed by a qualified electrician.

- Warning:** Turn off power at the circuit breaker or fuse to avoid fire, shock, and death. Test that power is off before starting installation.
Warning: Use this device with only copper or copper clad wire. Only use aluminum wire for devices marked CO/ALR.
- For 3-1/4" standard outlet box mounting, carefully remove knockouts on base of porcelain (not necessary when mounting on 4" box).
DO NOT BREAK SOCKET.
- Inspect circuit wires. If frayed or uneven, cut off damaged ends. Remove insulation from 3/4" of the copper wire.
- Loop the wires clockwise and tighten each terminal screw with a screwdriver, connecting the wires as follows:
Black (Hot) wire to the Brass screw terminal.
White (Neutral) wire to the Silver screw terminal.
- Mount porcelain base on outlet box. Install light bulb.
- Restore power at circuit breaker or fuse.
Installation is complete.

One Year Limited Warranty

The manufacturer warrants that the parts of this product will be free from defects in material and workmanship under normal household use for the length of the one-year warranty.

This warranty covers the original purchaser with original receipt only and does not include business, commercial or industrial use of this product. This warranty shall not apply to goods which have been subject to accidents, negligence or improper installation. Our responsibility under this warranty is limited only to the replacement of parts and no other costs. Should a malfunction occur within the time covered by this warranty, replacement parts may be obtained from the Customer Service Department 1-800-636-3525 or email warranty@cmiproduct.com. The manufacturer will, at its discretion, provide replacement parts for installation by the consumer for any parts that prove defective under normal usage and care with new or equivalent parts.

HAVE A QUESTION?
