

OPTIONAL TABLE ASSEMBLY INSTRUCTIONS

This patio heater comes with an optional table assembly that may be installed on the heater. If you wish to install this feature, please follow the instructions below (no tools required for assembly):

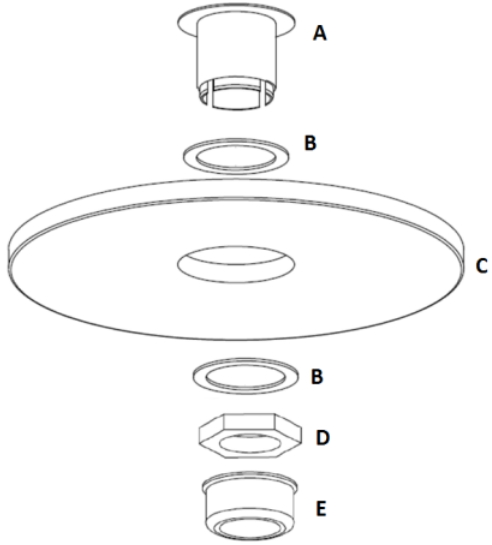

<p>FIG 1: Slide 1 piece part B over part A and up to the top of part A.</p>	
<p>FIG 2: Insert part A through hole in part C.</p>	
<p>FIG 3: Slide 1 piece part B over part A until it is flush against the underside of part C.</p>	
<p>FIG 4: Screw part D onto end of part A and up until it is flush with the underside of part C.</p>	
<p>FIG 5: Slide part E down over pole, then slide table assembly over pole and stop at desired height.</p>	
<p>FIG 6: Screw part E over part A to secure table in position. Once table is at desired height, tighten part E.</p>
