5. Charging

- 1) Place the earbuds inside the charging case and close the lid to charge the earbuds.
 - 2) Please use the included USB-C charging cable and qualified 5V1A (5V2A,10W MAX) charger(not include) to charge the case.
- *Note:** Non-branded chargers may affect the battery life or damage the charging case. The charging will be unsuccessful for chargers that exceeds 10W(5V-2A).

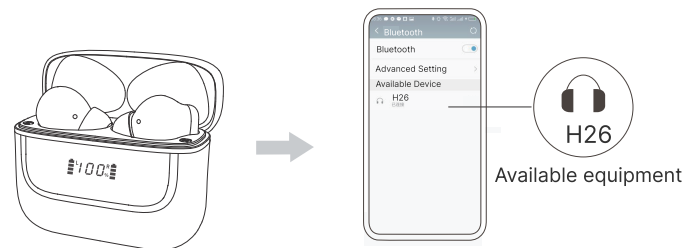

6. Power On/Off

- Take the earbuds out from the charging case and the earbuds will power on. Place the earbuds back in the charging case and the earbuds will power off.
- *Note:** Press and hold the touchpad of either earbud for 5 seconds to power off both earbuds simultaneously. To power on a single earbud individually, press and hold the touchpad of the desired earbud for 5 seconds again.

7. Connection

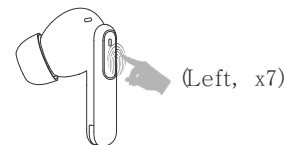

- 1) Open the charging case and the earbuds will automatically enter Bluetooth pairing mode.
 - 2) Access to the Bluetooth Setting of your device, search and select "H26" from the Bluetooth List for connection.
- (*H26 does not support dual-device connection.)

8. Reset the Earbuds

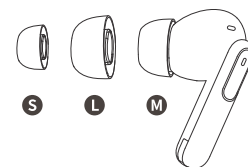

If one earbud can't connect or both earbuds can't pair together, please try to reset the earbuds.

- 1) Remove/ignore the connection of "H26" from your devices
- 2) Take out the left earbud and press for continuous 7 times, the signal indicator will blink in white color and the earbuds are ready for connection.

9. Choose the Ear Tips

The package includes 3 sets of ear tips of 3 sizes (S/M/L). Choose the set that fits most for more comfortable and secured wearing experience.

10. Warranty

The product is covered by a 12-month warranty from the date of purchase. For any issue regarding the purchase or the product, please contact us by email (support@h-sound.com).

The following situations are not covered by warranty.

- 1) Damage caused by self disassembly;
