IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

ASSEMBLY & INSTRUCTION MANUAL

SICHERHEITSHINWEISE

1. Lea cuidadosamente el manual de instrucciones antes de utilizar la parrilla y guárdelo para las referencias futuras. El incumplimiento de las instrucciones puede causar lesiones personales, daños a la propiedad incluso la muerte.
2. Solo es apta para ser utilizada en exteriores. No la utilice en interiores.
3. No la utilice por debajo del nivel del suelo.
4. Las piezas accesibles de la parrilla pueden calentarse mucho. Mantenga a los niños y las mascotas alejados de ella. Se recomienda usar los guantes para parrilla.
5. No mueva la parrilla cuando esté encendida.
6. Apague el suministro de gas en el cilindro de gas cuando la parrilla esté apagada.
7. Cualquier modificación de la parrilla, mal uso de ella o incumplimiento de las instrucciones puede provocar peligros, esto anulará la garantía.
8. Compruebe su parrilla de gas en busca de fugas. Verifique si las conexiones de la manguera están apretadas bien y pruébelas en busca de fugas cada vez que vuelva a conectar el cilindro de gas.
9. Nunca utilice la parrilla de gas a menos de 1 metro de los materiales o las superficies combustibles.
10. No coloque los cilindros de gas LP justamente debajo de la parrilla.
11. Abra la cubierta de la parrilla antes de encenderla.
12. No deje la parrilla desatendida cuando esté encendida.
13. Tenga mucho cuidado con el vapor caliente al abrir la cubierta.
14. No cubra la parrilla hasta que se haya enfriado completamente.
15. No utilice los aerosoles cerca de la parrilla.
16. No almacene ni utilice la gasolina, los vapores o líquidos inflamables alrededor de la parrilla.
17. Si usted huele gas, apague el suministro en el cilindro de gas, apague llama abierta, abra la cubierta y deje de utilizar la parrilla.

Montage

Hinweis: Ziehen Sie die Schrauben und Muttern erst an, wenn alle Montageschritte abgeschlossen sind.

1. Befestigen Sie den linken und rechten Rahmen (5C) mit acht M5-Schrauben (B) an den linken und rechten Beinen (5A, 5B, 6A & 6B).

Montage

2. Befestigen Sie den linken und rechten Rahmen mit vier M5-Schrauben (B) an der unteren Ablage (7).

Montage

3. Befestigen Sie die hintere Ablage (9) mit vier M5-Schrauben (B) an den Rahmen.

Montage

4. Befestigen Sie den vorderen Träger (8) mit vier M5-Schrauben (B) an der Vorderseite der Rahmen.

Montage

5. Befestigen Sie die vier Räder (10 & 11) an den Enden der Rahmenbeine.

Hinweis: Die beiden Räder mit Bremsen (10) befinden sich immer auf der gleichen Seite.

Montage

6. Der Körper (1) wird mit acht M5-Schrauben in die Rahmenbeine eingesetzt (siehe Abbildung). Ziehen Sie die Schrauben an, wenn der Körper in Position ist.

Montage

7. Die linke Seitenablage (14) wird mit sechs M5-Schrauben (B) am Körper befestigt.

Montage

8. Die rechte Seitenablage (15) wird mit sechs M5-Schrauben (B) am Körper befestigt.

Montage

9. Befestigen Sie die Griffe (13) mit vier M4-Schrauben (A) an den vorderen Türen (12).

Montage

10. Befestigen Sie die Tür mit den oberen und unteren Stiften (C & E) an den vorderen Beinen des Rahmens.

Montage

11. Warmhalterost (2), Kochroste (3) und Wärmezelte (4) werden in den Körper eingesetzt.

Montage

12. Befestigen Sie die Ölschale (21) an der Ölwanne.

Ziehen Sie alle Schrauben vor dem Gebrauch fest.

IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

ASSEMBLY & INSTRUCTION MANUAL

SAFETY INSTRUCTIONS

1. Read the instruction manual carefully before use and keep it for future reference. Failure to comply with the instructions can result in death, serious injury or property damage.
2. For outdoor use ONLY! Do not use indoors.
3. Do not use below ground level.
4. The accesible parts can get very hot. Keep small children, elderly people and animals away from the gas grill. Grill glove is advised.
5. Do not move the product while it is alight.
6. Turn off the gas supply at the gas cylinder when the grill is not in use or after use.
7. Any modification of the product, misuse or failure to follow the instructions may be dangerous and will void the warrenty.
8. Check your gas grill anually for leaks. Check whether the hose connections are tight and leak test them each time you reconnect the gas cylinder.
9. Do not use the gas grill within 1 meter of combustibile materials or surfaces.
10. LP gas cylinders should not be placed directly underneath the grill.
11. Open the hook of the grill before lighting.
12. Do not leave the grill unateended when it is lit.
13. Be careful when opening the hook, as the hot steam inside is released upon opening.
14. Do not cover the grill untill it has completely cooled down.
15. Do not use aerosols near the grill.
16. Do not store or use petrol or other flammable vapours or liquids in the vicinity of this gas grill or any other appliance.
17. If you smell gas, turn off the gas supply at the gas cylinder; extinguish any open flame; open the hood. If still have it, stop use.

Assembly

Note: Please do not tight the screws and nuts till all assembly steps completed.

1. Assemble the LH and RH frame plates (5C) to LH & RH legs (5A, 5B, 6A & 6B) with 8pcs M5 screws (B).

Assembly

2. Assemble the LH and RH frame to bottom shelf (7) with 4pcs M5 screws (B).

Assembly

3. Assemble the back shelf (9) to the frames with 4 pcs M5 screws (B).

Assembly

4. Assemble the front beam (8) to the front of frames with 4pcs M5 screws (B).

Assembly

5. Assemble the 4pcs wheels (10&11) to the end of frame legs.
Note: the 2pcs wheels with break (10) are always in the same side.

Assembly

6. The body (1) is slid into the frame legs with 8 pcs pre-assembled M5 screws (See detailed pic.). Tight screws after body slid into position.

Thermometer (23) is fixed to the lid by its own screw.

Note: make sure the 8pcs screws are pre-assembled before sliding.

Assembly

7. LH side shelf (14) is assembled to the body with 6 pcs M5 screws (B).

Assembly

8. RH side shelf (15) is assembled to the body with 6 pcs M5 screws (B).

Assembly

9. Handles (13) are assembled to front doors (12) with 4pcs M4 screws (A). Totally 2 pcs doors.

Assembly

10. Doors are assembled to frames' front legs with top and bottom pins (C&E).

Assembly

11. Warming grid (2), cooking grids (3) and heat tents (4) are fixed into the body.

Assembly

12. Oil cup (21) is assembled to the oil pan.

Assembly

Tight all screws before use
