

Norman is a real person and is our expert head of Quality Assurance. Norman appears here to bring to your attention features, technical or quality issues.

More importantly the reasons why, on occasions, it's worth paying a little more for a product that may look similar to a cheaper alternative but is much better.

norman says

EXPERT QUALITY MASKING TAPE - item no. 8. Our Expert Quality masking tape is 'pressure sensitive', in that the adhesion increases the harder you apply it. It features 'easy-on, easy off' adhesive up to 12 hours, preventing paint from being damaged in removal, and is suitable for low bake spray booths.
