SAFETY INFORMATION

WARNING: These products may represent a possible shock or fire hazard if improperly installed or attached in any way. Products should be installed in accordance with these instructions, current electrical codes, and/or the current National Electric Code (NEC).

WARNING: To reduce risk of fire, electric shock, or injury to persons, be sure that power supply is turned off at fuse box or circuit breaker before attempting installation or servicing of the fixture. For safest operation, read and become familiar with complete installation instructions prior to use. Pay close attention to this manual and stay within its guidelines when using this product.

SAVE THESE INSTRUCTIONS

ADDITIONAL SAFETY MEASURES

1. To avoid electrical shock, do not turn on fixture with missing or damaged lens.
2. There are no serviceable parts inside LED module.
3. LEDs emit bright light. Avoid looking directly at the light source.
4. Do not alter the power cord in any way.
5. Do not use with any other cord, cable, or connector other than those provided with the fixture.
6. Not to be used with a dimming circuit.
7. This fixture is suitable for dry and damp locations.
8. Do not mount over a sink, tub or shower.

PREPARATION

Before beginning assembly, installation, or operation of product, make sure all parts are present. Compare parts with package and hardware contents list on page 1. If any part is missing or damaged, do not attempt to assemble, install or operate the product. Contact customer service for replacement parts: 1-844-255-9692 Monday – Friday 9:00 a.m. – 6:00 p.m. CST.

Tools Required for Assembly (not included): Screwdriver, Tape Measure, Pencil, Safety Glasses, and Ladder

INSTALLATION INSTRUCTIONS

DANGER

- Be careful not to damage or cut the jacket of the power cord during fixture installation. Do not permit power cord to contact any surface having a sharp edge. To do so may damage or cut the wire insulation, which could cause serious injury or death from electric shock.
- This fixture requires a 120V AC electrical wall socket for operation and consumes 12W per fixture.

1. Select a suitable location for the Grow Light that does not move, can support its weight, and has an available 120V outlet within 5 feet of the front of the fixture to ensure that the fixture is powered properly. Mark two locations on the mounting surface that are 20-3/8 inches apart. Make the holes wide enough for the wall anchors to fit snug.

2. Start holes in mounting surface with screw-gun or awl, then insert the supplied wall anchors (C) to the holes, and attach the fixture (A) by screwing in the mounting screws (B) at these locations through the mounting holes on either end of the fixture (A).

3. Insert the attached power cord into an appropriate 120V AC receptacle.

4. Multiple fixtures (up to twelve) can be linked together and powered by one power cord. **WARNING:** When linking multiple fixtures, **UNPLUG POWER CORD FROM OUTLET BEFORE PROCEEDING.** Follow steps 1-2 for the additional fixture(s). Ensure each fixture end is no more than 5 feet apart to allow for power cord to reach.

5. Link fixtures (A) by plugging the power cord from one end of the fixture (A) into the receptacle on the other end of the subsequent fixture (A).

6. Use the switches on the power cord end of the fixture (A) to adjust the spectrum via Red + Blue + White settings.

Color Changing:

Red light promotes flowering.

Blue light enhances vegetative growth.

White light provides usable task light.

Switch color spectrums throughout plant growth to increase yield of plant.

CARE AND MAINTENANCE

- Periodically, dust the outside surface of the frosted lens with a dry soft cloth. Clean with a clean damp cloth if needed. Do not use chemical solvents or harsh abrasives to clean fixture.

TROUBLESHOOTING

- 1) The light does not come on at all:
 - a) If “ON/OFF” button is in the “OFF” position, push button on fixture once so that it is in the “ON” position.
 - b) If outlet is on a switched circuit, make sure the circuit breaker is on.

If unable to fix the above issue, please consult a certified electrician.

WARRANTY

This PATRIOT LIGHTING® brand light fixture carries a five (5) Year Limited Warranty to the original purchaser. If, during normal use, this PATRIOT LIGHTING® light fixture fails due to a defect in material and workmanship within five (5) years from the date of purchase, simply bring this light fixture with your original sales receipt back to your nearest MENARDS® retail store. At its discretion, PATRIOT LIGHTING® agrees to have the lighting fixture replaced with the same or similar PATRIOT LIGHTING® product free of charge, within the stated warranty period, when returned by the original purchaser with original sales receipt. Notwithstanding the foregoing, this limited warranty does not cover damage or failure caused by misuse or abuse including but not limited to improper installation, accident, unauthorized repair, maintenance, or modifications of the merchandise. This warranty: (1) excludes expendable parts including but not limited to light bulbs, batteries; (2) carries a 2-year finish warranty protecting finish against tarnishing, flaking, and discoloration; (3) shall be void if this lighting fixture is not installed in the U.S.A; (4) does not cover products installed within three miles of saltwater coastline or any area prone to salt spray; and (5) does not cover any losses, labor, injuries to persons/property or costs. This warranty does give you specific legal rights and you may have other rights, which vary from state to state. Be careful, it is recommended that installation be done by a qualified professional; the purchaser has sole responsibility for proper installation in compliance with all state and local code requirements. Seller’s employees are not qualified to advise you on the use of this Merchandise. Any oral representation(s) made will not be binding on seller or its employees. The rights under this limited warranty are to the original purchaser of the Merchandise and may not be transferred to any subsequent owner. This limited warranty is in lieu of all warranties, expressed or implied including warranties or merchantability and fitness for a particular purpose. Seller shall not be liable for any special, incidental, or consequential damages. The sole exclusive remedy against the seller will be for the replacement of any defects as provided herein, as long as the seller is willing or able to replace this product or is willing to refund the purchase price as provided above.

SAVE YOUR RECEIPTS. THIS WARRANTY IS VOID WITHOUT THEM.
