Safety Warnings

Before Use

1. Ensure you are physically able to use the product. Certain medical conditions or the influence of medication, alcohol, or drugs may make usage unsafe.
2. When transporting the product on roof racks or in a truck, secure it properly to prevent damage.
3. Inspect the product upon delivery and before first use to ensure all parts are in proper working condition.
4. Visually check that the product is not damaged and is safe to use at the beginning of each workday.
5. For professional users, regular periodic inspections are required.
6. Ensure the product is appropriate for the task at hand.
7. Do not use the product if it is damaged.
8. Remove any contamination such as wet paint, mud, oil, or snow before use.

Positioning the Product

1. The product shall be set up in the correct position and fully opened.
2. Locking devices, if fitted, must be fully secured before use.
3. The product must be placed on a flat, level, and stable surface.
4. When positioning the product, be mindful of the risk of collision with surrounding objects.
5. Identify any electrical hazards in the work area, such as overhead lines or exposed electrical equipment.
6. The product should rest on its feet—not on the steps or rungs.
7. Do not position the product on slippery surfaces (e.g., ice, polished surfaces, or heavily contaminated solid surfaces) unless additional safety measures are in place.

Using the Product

1. Do not exceed the maximum weight capacity.
2. Keep both feet on the same step or rung during use.
3. Use only for light-duty tasks of short duration.
4. For indoor use only.
5. Keep children away from the product and prevent them from playing on it.
6. Always face the ladder when ascending or descending.
7. Wear appropriate footwear while climbing.
8. Take regular breaks—do not stay on the ladder for extended periods to avoid fatigue.
9. Only carry light, easy-to-handle items while using the ladder.

Repair, Maintenance, and Storage: *Repairs and maintenance should be performed by a qualified person according to the manufacturer's instructions.*

Storage Guidelines

- Store the product in a clean, dry area.
- Carry the ladder securely by holding it firmly.
- Do not store materials on the ladder.
- Keep the product clean and free from foreign substances.
- Clean the ladder after each use.
- Regularly inspect all parts and hinges for wear or damage.
