Flip Pet Door USER MANUAL

We continue to be committed to provide you tools with competitive price.

"Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

The products carried in this catalog may be different in color than the actual item.

SAVE THESE INSTRUCTIONS

WARNING:

When children are present in the home, it is important to consider the pet door during childproofing activities. The pet door may be misused by a child resulting in the child accessing potential hazards that may be on the other side of the pet door. Purchasers/Homeowners with swimming pools should ensure that the pet door is monitored at all times and that the swimming pool has adequate barriers to entry. If a new hazard is created inside or outside of your home, which may be accessed through the pet door. The closing panel or lock, if applicable, is provided for aesthetic and energy efficiency purposes and is not intended as a security device. VEVOR will not be liable for unintended use and the purchaser of this product accepts full responsibility for oversight of the opening it creates.

- Power Tools. Risk of severe injury; follow all safety instructions for power tools. Be sure to always wear proper safety equipment.

Replacement Flaps

Replace & Adjust

During extreme changes in weather, vinyl flaps can shrink during cold months and stretch in warmer months. Easily replace or adjust to ensure a snug fit during seasonal changes.

To Replace: Remove screws from the interior frame of pet door.

Remove bar and flap.

Replace new vinyl flap and position horizontally and vertically to fit into door frame. Replace existing bar and tighten screws in place.

To Adjust: Slightly loosen screws from interior frame of pet door.

Slightly move bar away from flap.

Adjust flap horizontally and/or vertically to fit into door frame. Push bar towards flap and tighten screws in place.

MAINTENANCE

Avoid prolonged exposure to the sun to avoid aging.
