Heated Rubber Snow & Ice Melting Mats

No more shoveling, salting or slipping! Enjoy a winter with No salty mess and Safe walkways!

This Heated Rubber Snow & Ice Melting Mats Prevent snow and ice accumulation around the home, on outdoor walkways & stairways, driveways, around small business storefronts, at industrial facilities and commercial environments.

Heated Rubber Snow & Ice Melting Mats are portable that could be easily plug-in and play, leaving outside all winter long without any maintenance.

The material is high elastic vulcanized styrene butadiene rubber, which has excellent mechanical strength, durability, high elasticity, and resistance high and low-temperature characteristics.
It's Environmentally friendly and flame retardant.

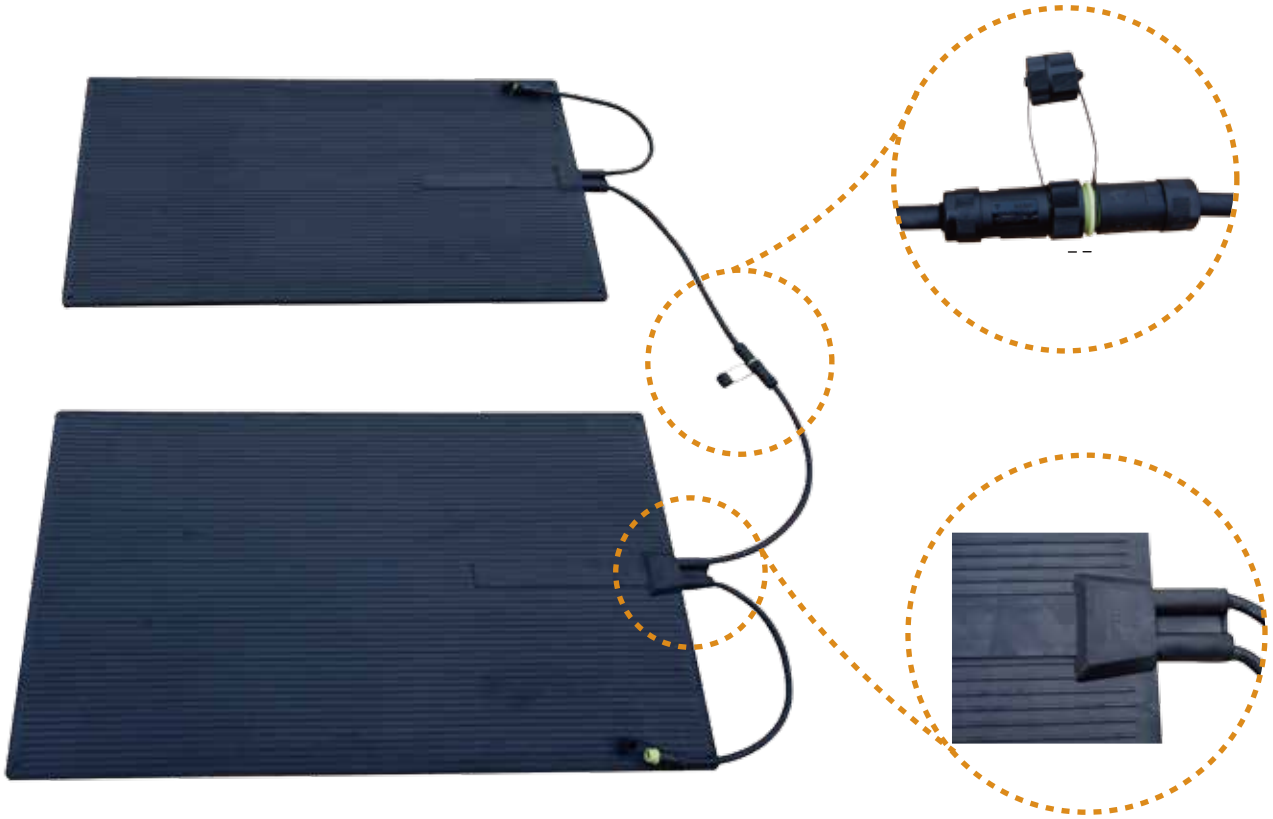

Technical specifications:

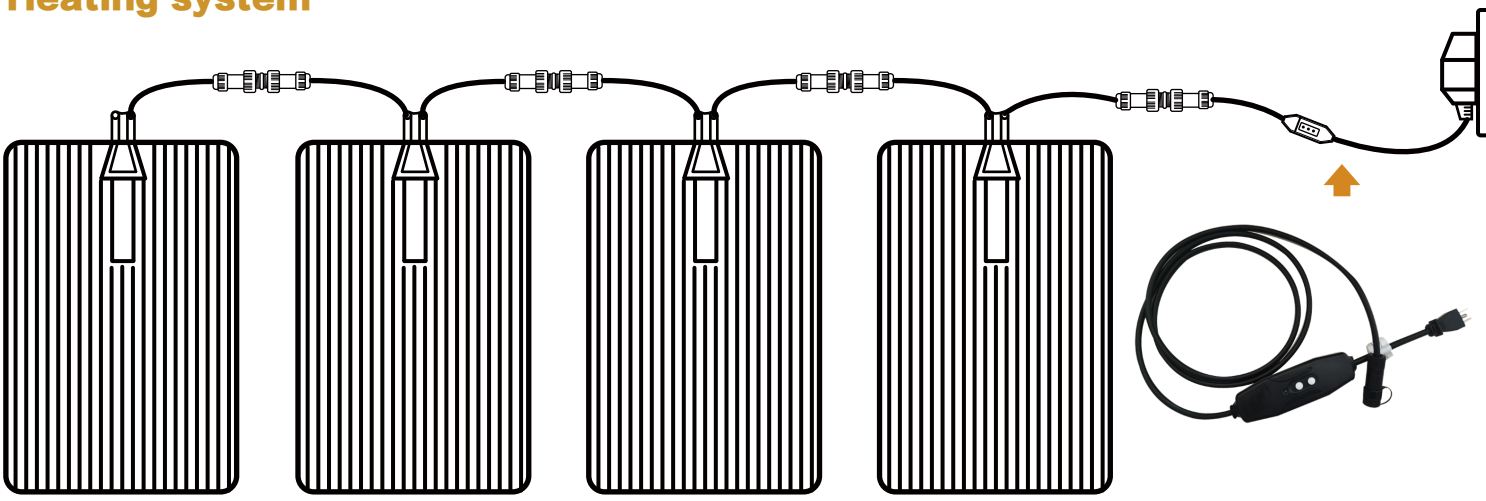

Wattage	300W
