

Wireless Speaker System

Operating Instructions
Mode d'emploi

English Wireless Speaker System

Before operating the system, please read this guide thoroughly and retain it for future reference.

WARNING

To reduce the risk of fire or electrical shock, do not open the cabinet. Refer servicing to qualified personnel only.

To reduce the risk of fire, do not cover the ventilation opening of the apparatus with newspapers, tablecloths, curtains, etc. Do not place the naked flame sources such as lighted candles on the apparatus.

To reduce the risk of fire or electric shock, do not expose this apparatus to dripping or splashing, and do not place objects filled with liquids, such as vases, on the apparatus.

Do not install the appliance in a confined space, such as a bookcase or built-in cabinet.

As the main plug of the AC adaptor is used to disconnect the AC adaptor from the mains, connect the system to an easily accessible AC outlet. Should you notice an abnormality in the system, disconnect the main plug from AC outlet immediately.

The system is not disconnected from the mains as long as it is connected to the AC outlet, even if the system itself has been turned off.

On Copyrights and Licenses

The Bluetooth® mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Sony Corporation is under license.

The N Mark is a trademark or registered trademark of NFC Forum, Inc. in the United States and in other countries.

Android is a trademark of Google Inc.

Other trademarks and trade names are those of their respective owners.

CAUTION

You are cautioned that any changes or modifications not expressly approved in this manual could void your authority to operate this equipment.

Precautions

Notes when using with a mobile phone

- For details on operation of your mobile phone when receiving a telephone call while transmitting the sound using the Bluetooth connection, refer to the operating instructions supplied with the mobile phone.

On safety

The nameplate indicating Sony trademark, model number and electrical rating is located on the bottom exterior of this system and on the surface of the AC adaptor.

Notes on the AC adaptor

- When connecting or disconnecting the AC adaptor, turn off the system beforehand. Otherwise, it may cause malfunction.
- Use only the supplied AC adaptor. To avoid damaging the system, do not use any other AC adaptor.

Plugging the AC adaptor into a nearby wall outlet (mains). In the case of a problem, unplug it from the wall outlet (mains) immediately.

- Do not install the AC adaptor in a confined space, such as a bookcase or built-in cabinet.

To reduce the risk of fire or electric shock, do not expose the AC adaptor to dripping or splashing, and do not place objects filled with liquids, such as vases, on the AC adaptor.

On placement

- Do not set the speaker in an inclined position.
- Do not leave the system in a location near heat sources, or in a place subject to direct sunlight, excessive dust, moisture, rain or mechanical shock.
- Do not expose the battery to excessive heat such as direct sunlight, fire or the like.

On operation

- Do not insert any small objects, etc., into the jacks. The system may short out or malfunction.

On cleaning

- Do not use alcohol, benzine, or thinner to clean the cabinet.

Others

- If you have any questions or problems concerning this system that are not covered in this manual, please consult your nearest Sony dealer.

Polarity of the plug

Plug the AC adaptor into a nearby wall outlet (mains). In the case of a problem, unplug it from the wall outlet (mains) immediately.

To reduce the risk of fire or electric shock, do not expose the AC adaptor to dripping or splashing, and do not place objects filled with liquids, such as vases, on the AC adaptor.

Do not set the speaker in an inclined position.

Do not leave the system in a location near heat sources, or in a place subject to direct sunlight, excessive dust, moisture, rain or mechanical shock.

Do not expose the battery to excessive heat such as direct sunlight, fire or the like.

Do not insert any small objects, etc., into the jacks. The system may short out or malfunction.

Do not use alcohol, benzine, or thinner to clean the cabinet.

If you have any questions or problems concerning this system that are not covered in this manual, please consult your nearest Sony dealer.

Specifications

Speaker section

Speaker system 50 mm
Enclosure type Bass reflex

Amplifier section

Reference output power 2 W × 2 (10% THD, 1 kHz, 6 Ω)
Input Stereo mini jack × 1

Bluetooth

Communication System Bluetooth Specification version 3.0
Compatible Bluetooth Profiles Bluetooth Specification Power Class 2

Maximum communication range Line of sight approx. 10 m**
Frequency band 2.4 GHz band (2.4000 GHz - 2.4835 GHz)
Modulation method FHSS

Compatible Bluetooth Profiles* A2DP (Advanced Audio Distribution Profile)
AVRCP (Audio Video Remote Control Profile)
HSP (Headset Profile)
HFP (Hands-free Profile)

Supported Codec** SBC**
Transmission range (A2DP) 20 Hz - 20,000 Hz (Sampling frequency 44.1 kHz)

** The actual range will vary depending on factors such as obstacles between devices, magnetic fields around a microwave oven, static electricity, reception sensitivity, aerial's performance, operating system, software application, etc.

* Bluetooth standard profiles indicate the purpose of Bluetooth communication between devices.

** Codec: Audio signal compression and conversion format

** Subband Codec

Microphone

Type Electret condenser
Direction characteristic Omni directional
Effective frequency range: 200 Hz - 3,600 Hz
Operating temperature: 0 °C to 45 °C

General

Power DC 6 V (when using the supplied AC adaptor connected to AC 230 V, 50 Hz power supply) or 4 alkaline LR6 (size AA) batteries

Rated power consumption 6 W (when using the supplied AC adaptor) Approx. 0.2 W (in standby mode when using the supplied AC adaptor)

Battery life (when using the Bluetooth connection) Sony alkaline battery LR6 (size AA): approx. 20 hours**
Sony nickel metal hydride rechargeable battery NHAAB2K (size AA): approx. 20 hours**

Dimensions Approximately 245 mm × 185 mm × 88 mm (W/H/D)

Mass Approximately 1,060 g including batteries

Supplied accessories AC adaptor (1)
Operating Instructions (this document) (1)
Safety information

** Time may vary, depending on the temperature or conditions of use.

Design and specifications are subject to change without notice.

Function of Parts

I/O button
Turns the system on/off.

OPR/BATT indicator (green)
Lights up when the system is turned on. Dims during battery operation if battery power is low.

BLUETOOTH PAIRING button
Press to pair with a Bluetooth device.

Play/pause button
Operates a connected Bluetooth device. You cannot operate a device connected to the AUDIO IN jack.

N-mark
Touch to make Bluetooth connection with an NFC compatible smartphone.

Call button
Press to call or operate during a call.

VOLUME +/- button
Adjusts the volume. A beep sounds from the speakers when the volume is set to minimum or maximum.

Handle
Hold to carry the system.

Bluetooth indicator (blue)
Lights up or flashes depending on the communication status. For details, see the following section, "Indications of the Bluetooth function".

Microphone
Use during call.

AUDIO IN jack
Connects to the headphone jack of a portable audio device, computer, etc., using a connecting cord (not supplied).

DC IN 6V jack
Connects the supplied AC adaptor.

Battery compartment
Insert four alkaline LR6 (size AA) batteries (not supplied).

Connected to a device Lights up

Turning the System on/off

1 Connect the supplied AC adaptor.

2 Press the I/O button.

The OPR/BATT indicator (green) lights up.

3 Press the I/O button.

The OPR/BATT indicator (green) lights up.

4 Press the I/O button.

The OPR/BATT indicator (green) lights up.

5 Press the I/O button.

The OPR/BATT indicator (green) lights up.

6 Press the I/O button.

The OPR/BATT indicator (green) lights up.

7 Press the I/O button.

The OPR/BATT indicator (green) lights up.

8 Press the I/O button.

The OPR/BATT indicator (green) lights up.

9 Press the I/O button.

The OPR/BATT indicator (green) lights up.

10 Press the I/O button.

The OPR/BATT indicator (green) lights up.

11 Press the I/O button.

The OPR/BATT indicator (green) lights up.

12 Press the I/O button.

The OPR/BATT indicator (green) lights up.

13 Press the I/O button.

The OPR/BATT indicator (green) lights up.

14 Press the I/O button.

The OPR/BATT indicator (green) lights up.

15 Press the I/O button.

The OPR/BATT indicator (green) lights up.

16 Press the I/O button.

The OPR/BATT indicator (green) lights up.

17 Press the I/O button.

The OPR/BATT indicator (green) lights up.

18 Press the I/O button.

The OPR/BATT indicator (green) lights up.

19 Press the I/O button.

The OPR/BATT indicator (green) lights up.

20 Press the I/O button.

The OPR/BATT indicator (green) lights up.

21 Press the I/O button.

The OPR/BATT indicator (green) lights up.

22 Press the I/O button.

The OPR/BATT indicator (green) lights up.

23 Press the I/O button.

The OPR/BATT indicator (green) lights up.

24 Press the I/O button.

The OPR/BATT indicator (green) lights up.

25 Press the I/O button.

The OPR/BATT indicator (green) lights up.

26 Press the I/O button.

The OPR/BATT indicator (green) lights up.

27 Press the I/O button.

The OPR/BATT indicator (green) lights up.

28 Press the I/O button.

The OPR/BATT indicator (green) lights up.

29 Press the I/O button.

The OPR/BATT indicator (green) lights up.

30 Press the I/O button.

The OPR/BATT indicator (green) lights up.

31 Press the I/O button.

The OPR/BATT indicator (green) lights up.

32 Press the I/O button.

The OPR/BATT indicator (green) lights up.

33 Press the I/O button.

The OPR/BATT indicator (green) lights up.

34 Press the I/O button.

The OPR/BATT indicator (green) lights up.

35 Press the I/O button.

The OPR/BATT indicator (green) lights up.

Pattern C Connecting with a smartphone by One touch (NFC)

By just touching the system with an NFC-compatible smartphone, the system is turned on automatically and then paired and connected with the smartphone.

1 Download and install the app "NFC Easy Connect" on the smartphone.

"NFC Easy Connect" is an original app by Sony for Android phones, and is available at Google Play Store.

Search for "NFC Easy Connect" or scan the following two-dimensional code to download and install the free app. Communication fees are required to download the app.

The App may not be available in some countries and/or regions.

By the two-dimensional code:
Use a two-dimensional code reader app.

Compatible smartphones

- Smartphones with the NFC function built-in (OS: Android 2.3.3 or later, excluding Android 3.x)
Customers in Europe
Access the following Web site for details:
<http://support.sony-europe.com>

About NFC
NFC (Near Field Communication) is a technology enabling short-range wireless communication between various devices, such as mobile phones and IC tags. Thanks to the NFC function, data communication can be achieved easily just by touching the relevant symbol or designated location on NFC-compatible devices.

2 Start the app "NFC Easy Connect" on the smartphone.
Make sure that the application screen is displayed.

3 Touch the system with the smartphone.
Keep touching the smartphone on the N marked part of the system until the smartphone vibrates.

Smartphone vibrates (system recognized).

Follow the on-screen instructions to establish the connection.

When the Bluetooth connection is established, the Bluetooth indicator (blue) stays on.

Tips

- If it is difficult to establish the connection, try the following.
 - Activate the app "NFC Easy Connect" and move the smartphone slightly on the N marked part of the system.
 - If the smartphone is in a case, remove it.
- Touch the system with the smartphone again to disconnect.
- If you have multiple NFC-compatible smartphones, you can operate a Bluetooth device to switch the connection to that device. For example, when your smartphone is connected with NFC-compatible headphones, just touch the smartphone to the system to change the Bluetooth connection to the system (One touch connection switching).
