Aerospace grade stainless steel

A masterpiece of recovery technology.

Discover the Colderatti Chieftain ICE.

Temperature Range: 70°F – 30°F
- Set the plunge to your ideal temp.
- Generates ice glaciers at 32°F.

Hyperchiller Superfast Cooling
- Cools at -15°F per hour, or 70°F to 50°F in 80 minutes.
- 4-7X faster than the latest commercial-grade systems.
- Smooth, quiet, and energy-efficient.
- Built-in software regulates temperature.

Automatic Water Purification
- 4-stage commercial-grade system keeps your water clean & crystal clear using two particle filters, an aerator, and an ozonator.
- Creates an oxygen-rich, bacteria resistant environment for hands-free pure water with minimal maintenance and zero chemicals.
- 24/7 continuous circulation.

Fast and Simple Maintenance
- Quickly change filters, drain, and refill the tub.
- No assembly required, just fill with water, plug in, and get started.

Reclined Full Water Immersion
- Fully submerge your body with ease in the spacious reclined tub.
- An ergonomic, contoured basin design for max comfort.

Fully Enclosed Chiller
- Chiller, filtration, water purification, and all mechanical elements are housed discreetly within the unit.

Support, Service, and Financing
- 1-year warranty on frame, tub, chiller, electrical, and plumbing. 4-year extended warranty available.
- Free curbside delivery in continental U.S. White glove delivery & setup available.
- Live U.S. based technical support, 7 days a week.
- Home financing and commercial equipment lending with lowest rates available.

Choose from premium wood and steel finishes
- Red & clear cedar wooden deck.
- Coated carbon steel exterior.
