3

ION SOUND CONTROL™ APP

Connect to the ION SOUND CONTROL™ App for a more dynamic experience:

- a. Connect phone to speaker via Bluetooth* (Step 4)
- b. Download App from Apple App Store or Google Play Store
- c. Open the App on your device

4

CREATE YOUR SOUND EXPERIENCE

Note: Press and release SOURCE button to switch between modes (Bluetooth, USB). If you are connected to a smartphone, press and hold POWER / PLAY/PAUSE button to disconnect from the smartphone and the speaker will re-enter Bluetooth pairing mode.

BLUETOOTH

1. Power on speaker for Bluetooth mode.
2. Choose “KettleBoom” in your Bluetooth device settings menu.
3. Press Play in music player App of choice on device.

- Make sure device volume is turned up.
- Press POWER / PLAY/PAUSE button to start or stop audio.
- Press and hold - / + buttons to navigate tracks.
- Double press SOURCE button to disconnect from the current Bluetooth connection.

USB-A PLAYBACK

1. Press and hold POWER / PLAY/PAUSE button to power on KettleBoom.
2. Insert a USB drive into the USB-A port on the back panel to enter USB mode.
3. Press and release POWER / PLAY/PAUSE button to play or pause a track. Press and release SOURCE button to cycle through playback modes.

- Press - or + to adjust volume.
- Press and hold - to revert to the beginning of the track.
- Press - again within one second to skip to the previous track.
- Press and hold + to skip to the next track.

USB-C PLAYBACK

1. Power on KettleBoom.
2. Connect your smartphone, tablet, or other devices to the USB-C port.
3. Stream audio from your device and use the buttons on KettleBoom to control functions.

Note: The USB-C port will not play music from a USB-C flash drive.

5

CUSTOMIZE YOUR SOUND EXPERIENCE

LIGHT MODES

- Press LIGHTS button or use App to switch between light modes, or to turn the lights off.

WIRELESS STEREO-LINK™

1. Turn on all KettleBoom speakers.
2. Press and release SOURCE button on the first (main) speaker. A tone will indicate it is ready to connect to other speakers.
3. To connect to the next speaker, first ensure it is disconnected from a Bluetooth device. Then press and release SOURCE button to connect it to the main speaker. Repeat this step to connect additional speakers.

- Press and release SOURCE button on the main speaker to stop all Auracast connections.
- Press and release SOURCE button on one of the secondary speakers to disconnect from that speaker.

VOICE PROMPTS

- Double press the POWER / PLAY/PAUSE button to turn voice prompts ON/OFF.
