USER MANUAL & REGULATORY COMPLIANCE

Chipolo E-BIKE

ENGLISH

GET STARTED
For quick adding visit chipolo.net/E-BIKE.

MANUAL SETUP
Apple Find My app:
1. Open the Find My app on your iPhone or iPad, tap ⊕ and "Add Other Item".
2. While the Find My app is searching, press your Chipolo E-BIKE once and you will hear a beep.
3. After setup, you can locate your Chipolo E-BIKE in the Find My app on your iPhone, iPad, or Mac and in the Find Items app on Apple Watch.

Android / Find Hub app:
1. Press your Chipolo E-BIKE and place it next to your phone.
2. Wait for the pop-up to appear and follow the instructions on the screen. If the pop-up does not appear, visit chipolo.net/no-popup.
3. After setup, you can locate your Chipolo E-BIKE in the Find Hub app.

Chipolo app:
Download the Chipolo app from the Apple App Store or on Google Play for extra features.

FCC COMPLIANCE
Federal Communication Commission Interference Statement (FCC) This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

ISED CANADA COMPLIANCE
This device complies with ISED Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
This equipment complies with ISED radiation exposure limits set forth for an uncontrolled environment.

CONFORMITÉ ISED CANADA
Le présent appareil est conforme aux CNR d'ISED Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
Cet équipement est conforme aux limites d'exposition aux rayonnements d'ISED établies pour un environnement non contrôlé.

CE AND UKCA - DECLARATION OF CONFORMITY
Chipolo d.o.o. hereby declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU and of the Radio Equipment Regulations (RER) SI 2017 No. 1206. The most recent and valid version of the DoC (Declaration of Conformity) can be viewed at chipolo.net/regulatory.

CE UK CA

ANTENNA SPECS
Modulation method: GFSK
Antenna power: < 10 mW
Operating frequency band: 2402–2480 MHz

WEEE DIRECTIVE & PRODUCT DISPOSAL
At the end of its service life, this product should not be treated as household or general waste. It should be handed over to the applicable collection point for recycling of electrical and electronic equipment or returned to the supplier for disposal.

The supplier is either the producer (Chipolo d.o.o., Gabrsko 12, 1420 Trbovlje, Slovenia) or the place of sale if it offers such a service.

APPLE LEGAL NOTICE
Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its compliance with safety and regulatory standards. Apple, iPad, iPhone, Mac, iPadOS, macOS, watchOS and Apple Find My are trademarks of Apple Inc., registered in the U.S. and other countries. IOS is a trademark or registered trademark of Cisco in the U.S. and other countries and is used under license.

GOOGLE'S FIND HUB DISCLAIMER
The Find Hub network requires location services and Bluetooth to be turned on. Requires cell service or internet connection. Works on Android 9+ on select devices and in certain countries for age-eligible users.

This product has been certified by Google to meet Find Hub network accessory specifications. Google is not responsible for the operation of this product. Google is also not responsible for ensuring that the product complies with any applicable safety standards or other requirements.

Google, Android, and Find Hub are trademarks of Google LLC.
