Assembly Instructions

1. Remove the transparent rubber cap from the metal plate containing the large screw and circular washer.
2. Unscrew the large screw and remove the washer.
3. Attach the panel to the scooter base.
4. Reinsert the washer and screw tightly to secure the panel.

Note: The circular washer is small—handle carefully to avoid losing it.

How to Use

- **Seated Riding:** Sit on the scooter board, place your hands on the side handles, and push yourself forward or backward using your feet.
- **Lying Down:** Lie on your stomach and move by pushing with your hands.
- **Tow Strap Play:** Attach the tow strap to the front loop for pulling activities. Ensure pulling is done gently and safely.
- **Obstacle Games:** Use the flat round cones to create obstacle courses or team challenges.

Tip: Always use the scooter board on smooth, clean, and hard indoor surfaces.

Safety Instructions

- For children ages 3 and up only.
- Use under adult supervision at all times.
- Do not exceed 200 lbs. weight capacity.
- Always ride indoors on flat, smooth floors.
- Keep fingers inside handle openings when moving.
- Avoid steep slopes, uneven surfaces, or outdoor pavements.
- Do not stand on the scooter board.
- Check that wheels rotate freely before each use.
- Store safely when not in use to prevent tripping hazards.

Cleaning, Maintenance, and Storage

Cleaning

- Wipe the scooter board with a damp cloth and mild soap as needed.
- Avoid using harsh chemicals, abrasive cleaners, or high-pressure water.
- Dry thoroughly before storing to prevent moisture buildup.

Maintenance

- The scooter board is maintenance-free.
- Periodically check that all wheels roll smoothly and are securely attached.
- Inspect the tow strap and handle areas for any signs of wear before each use.

Storage

- Store in a cool, dry indoor location away from direct sunlight or heat sources.
- Stack or lay flat to prevent warping.
- Keep out of reach of small children when not in supervised use.
