HEXAGON RUSTIC HONEYCOMB LOG STORAGE

RCM-LG789

Review all assembly and care information carefully before using this product. Save this manual for future reference.
Assemble components on a soft, clean surface to avoid damaging the finish.

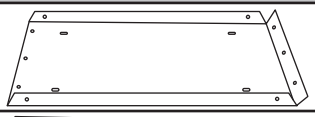

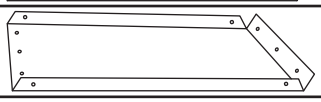

***NOTE:** The rust patina finish is a result of the alloy steel being exposed to water and oxygen. The color may continue to change over time. When used outdoors, help limit color change and further oxidization by covering the unit.

Because rust will flake away from the unit, use a drop cloth during assembly. The rust flakes may cause staining, especially when in contact with water; avoid contact with clothing.

SCAN THIS CODE WITH A SMARTPHONE TO VIEW OUR ASSEMBLY VIDEO

Inspect packaging to ensure all parts are accounted for before disposing of packing materials.
Save the packing slip.

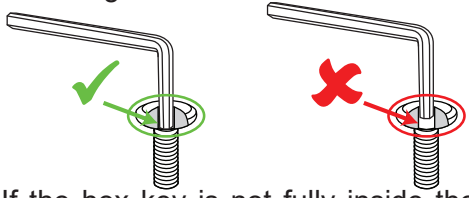

CAUTION:
Sharp edges.
Wear gloves during assembly.

No.	Parts		Qty.
A		Expansion Panel*	2
B		Panel	4
C		Bracket	12
D		M6x10mm Bolt	42

Included Tools	
	Hex Key

***NOTE:** Expansion panels are for connecting additional units. Placement of panels varies by configuration.

Tip: Always fully insert the hex key inside the designated notch of the bolt.

If the hex key is not fully inside the notch, the hex key could slip out, causing damage to the bolt head. Repeated hex key slipping will cause the notch to become rounded, making it difficult or impossible to tighten the bolt with the hex key.

WARNING

CHOKING HAZARD — This item contains small parts that can be swallowed. Keep children and pets away during assembly.

ASSEMBLY

IMPORTANT: Placement of Expansion Panel (A), as shown below, is recommended but not required for only one storage rack. However, if assembled as shown, the expansion panels will be in the correct position for expanding into a honeycomb configuration; refer to *Configuration Options*, page 3.

Do not fully tighten hardware until all components have been loosely assembled.

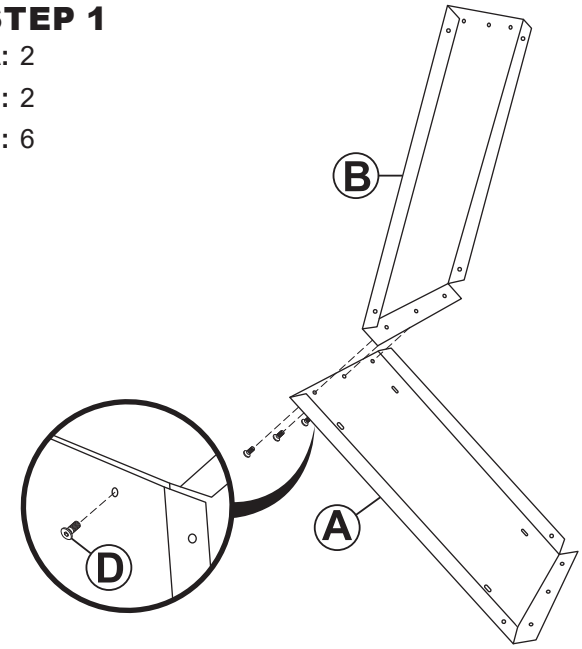

STEP 1

A: 2

B: 2

D: 6

x2

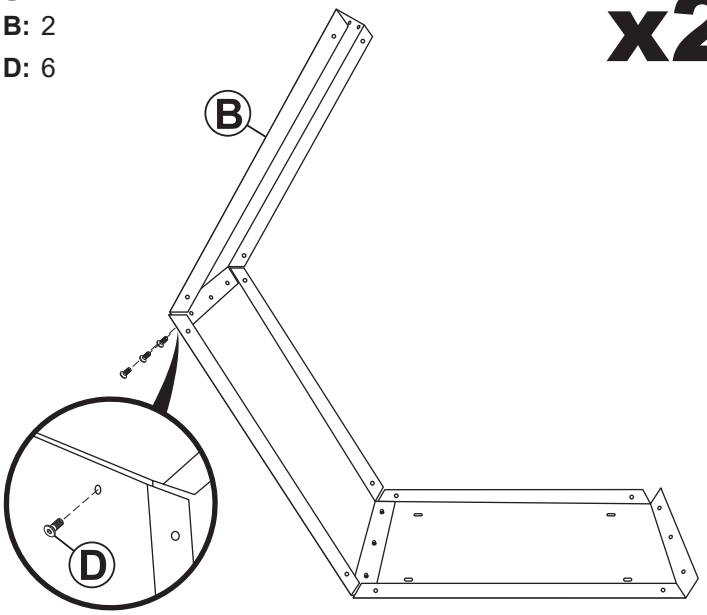

Align the lip of one Solid Panel (B) with the inside of one Expansion Panel (A) and loosely secure using three M6x10mm Bolts (D).

STEP 2

B: 2

D: 6

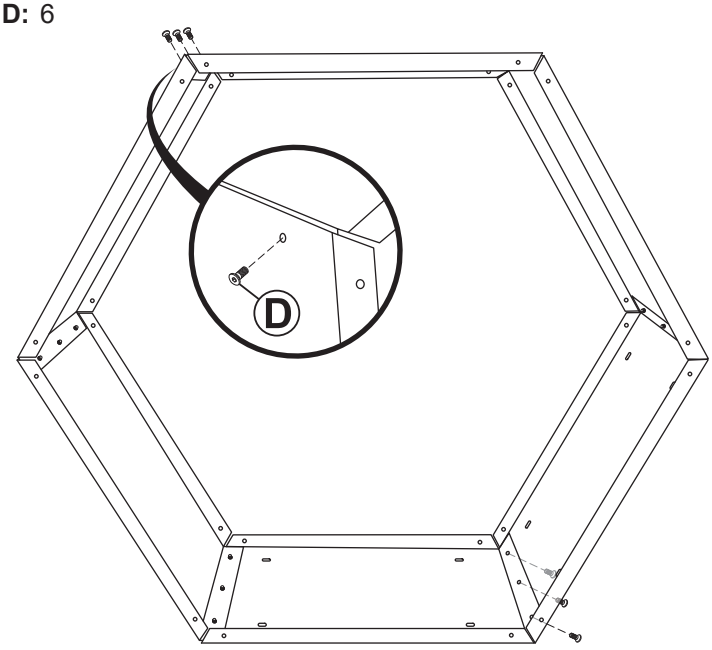

x2

Align the lip of one Solid Panel (B) with the inside of the solid panel from the previous step and loosely secure using three M6x10mm Bolts (D).

STEP 3

D: 6

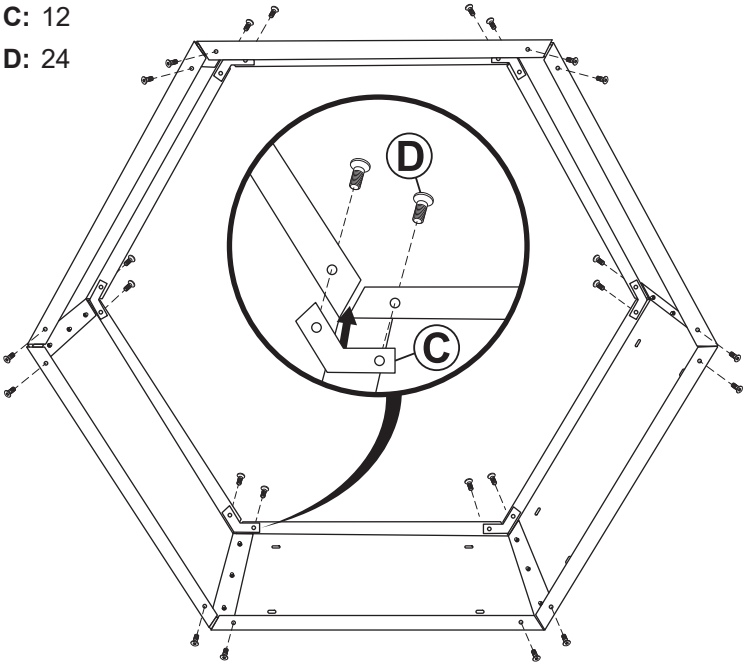

Align the expansion panels and the solid panels. Then, loosely secure using six M6x10mm Bolts (D).

STEP 4

C: 12

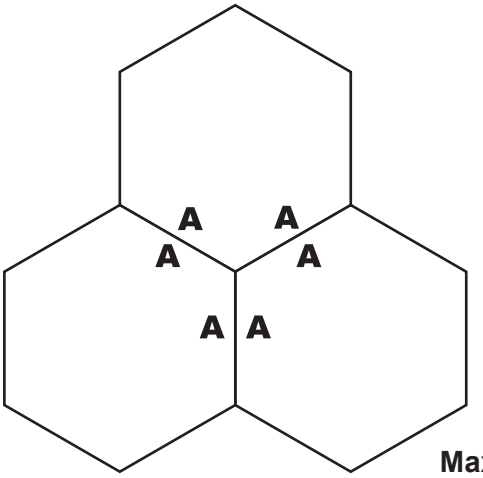

D: 24

Loosely secure one Bracket (C) onto each inside corner using two M6x10mm Bolts (D).

Fully tighten all hardware on the entire unit.

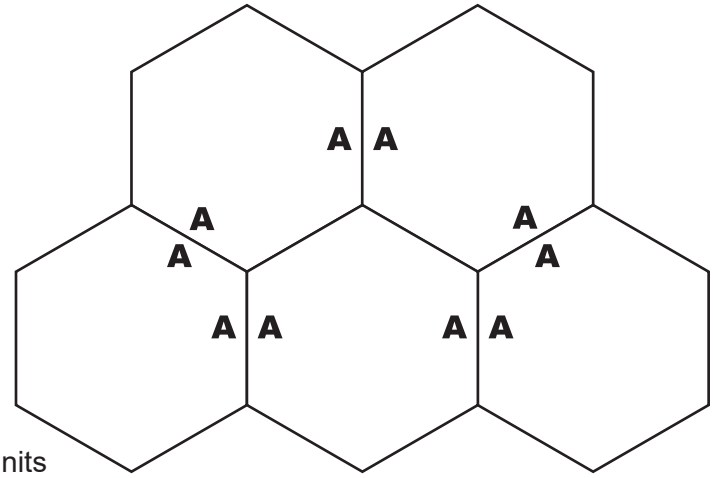

CONFIGURATION OPTIONS

Position each unit with Expansion Panels (A) aligned as shown.

Firmly secure each set of expansion panels using four M6x15mm Bolts and four M6 Nuts.

NOTE: Hardware required for securing configurations is only included with RCM-LG789-3PK.

Maximum Expansion: 5 units

CARE & MAINTENANCE

SAFE USE: Only use on a flat, level surface. To prevent injury and potential damage, always have assistance when moving this item.

Do not attempt to stack or configure units in any way other than shown above as doing so is not safe and could result in personal injury or property damage.

EXPOSURE & MAINTENANCE: Although this unit is constructed from durable cast iron, exposure to humidity and/or outdoor weather elements will gradually affect the appearance and integrity of the unit. Help preserve the integrity and appearance of the unit by placing it beneath a covered area.

Use a protective barrier to prevent damage and/or staining to surfaces such as, but not limited to, wooden decks, concrete patios, paved patios, and indoor flooring.

COVER AND STORE: Avoid exposure to water. Store or place in a dry location to help protect it from the effects of weather elements. The manufacturer is not liable for damage resulting from general use and/or environmental conditions.

WARNING: THE ONE-YEAR WARRANTY DOES NOT COVER DAMAGES OR DEFECTS CAUSED BY THE APPLICATION OF CHEMICAL TREATMENTS, PROTECTIVE COATINGS, TOUCH-UP PAINT OR CLEANING PRODUCTS.

⚠ SAFETY STATEMENTS & WARNINGS ⚠

- Place log rack on a hard, dry surface.
- Do not overload the log rack — holds approximately 1/8 face-cord of firewood.
- Protect the unit from outdoor elements with a cover. Cover not included.
- Do not allow children to play near this log rack.

Any modification to the product or failure to follow recommended care will void the product warranty.

If you experience issues with assembly or the product was damaged during shipping, please contact our customer service team through one of the methods mentioned at the top of page 1.

Please have the item number and order information ready to expedite response time.

⚠ WARNING:

Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
