FEATURES & BENEFITS

- **8" Multi-Purpose Chef's Blade:** The most versatile knife in the kitchen—perfect for daily tasks like slicing meats, chopping vegetables, mincing herbs, and crushing or chopping nuts. Reduces the need for multiple knives and speeds up meal prep.
- **German 1.4116 Stainless Steel:** Known for exceptional sharpness, edge retention, and toughness. Delivers clean, precise cuts with less effort and stays sharper for longer, reducing maintenance time.
- **Black Titanium Coating:** Ultra-durable, corrosion-resistant surface that enhances antibacterial properties and reduces food adhesion. Ensures smoother, cleaner cuts and easier cleanup.
- **G10 Handle:** High-strength, moisture-resistant handle with excellent grip and tactile feel. Provides superior control and comfort during extended use, even in wet conditions.
- **NSF Certified:** Meets strict safety and sanitation standards recognized in professional kitchens. Offers peace of mind for home cooks and pros alike.
- **Premium Giftbox Packaging:** Elegant, ready-to-gift presentation that enhances the unboxing experience and protects the knife during storage and transport—perfect for gifting to chefs, home cooks, or special occasions.
