How To Connect

Before using the mouse, peel off the protective film covering the mouse feet on the bottom.

Please note that your USB receiver is paired one-to-one with the mouse. To ensure proper operation of your device, please keep the receiver safe and avoid losing or damaging it.

Charging The Mouse

1.Connect one end of the charging cable to the mouse and the other end to the USB-A port of a computer device.

www.uineer.com

- For optimal performance, it is recommended to fully charge the mouse before its first use.
- It takes approximately 3 hours to fully charge a depleted mouse.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Deutsch

So schließen Sie die Maus an

- Entfernen Sie den USB-Empfänger
- Stecken Sie ihn in den USB-Anschluss Ihres Geräts
- Schalten Sie die Maus ein

Laden der Maus

- Schließen Sie ein Ende des Ladekabels an die Maus und das andere Ende an den USB-A-Anschluss eines Computergeräts an.
- Für eine optimale Leistung wird empfohlen, die Maus vor der ersten Verwendung vollständig aufzuladen.
- Während die Maus aufgeladen wird, leuchtet ein rotes Licht an der Öffnung des Scrollrads auf und erlischt, wenn die Maus vollständig aufgeladen ist. Dies dauert ungefähr 3 Stunden.

Français

Comment connecter

- Retirez le récepteur USB
- Insérez-le dans le port USB de votre appareil
- Allumez la souris

Chargement de la souris

- Connectez une extrémité du câble de chargement à la souris et l'autre extrémité au port USB-A d'un ordinateur.
- Pour des performances optimales, il est recommandé de charger complètement la souris avant sa première utilisation.
- Pendant que la souris est en charge, un voyant rouge à l'espace de la molette de défilement s'allume et s'éteint lorsque la souris est complètement chargée. Cela prend environ 3 heures.

Italiano

Come connettersi

- Rimuovere il ricevitore USB
- Inserirlo nella porta USB del dispositivo
- Accendere il mouse

www.uineer.com

Caricare il mouse

- Collegare un'estremità del cavo di ricarica al mouse e l'altra estremità alla porta USB-A di un dispositivo del computer.
- Per prestazioni ottimali, si consiglia di caricare completamente il mouse prima del primo utilizzo.
- Mentre il mouse è in carica, una luce rossa nella fessura della rotellina di scorrimento si accenderà e si spegnerà quando il mouse sarà completamente carico. Ci vogliono circa 3 ore.

Español

Cómo conectar

- Retire el receptor USB
- Insértelo en el puerto USB de su dispositivo
- Encienda el mouse

Carga del mouse

- Conecte un extremo del cable de carga al mouse y el otro extremo al puerto USB-A de un dispositivo informático.
- Para un rendimiento óptimo, se recomienda cargar completamente el mouse antes de su primer uso.
- Mientras el mouse se está cargando, se encenderá una luz roja en el espacio de la rueda de desplazamiento y se apagará cuando el mouse esté completamente cargado. La carga demora aproximadamente 3 horas.

日本語

接続方法

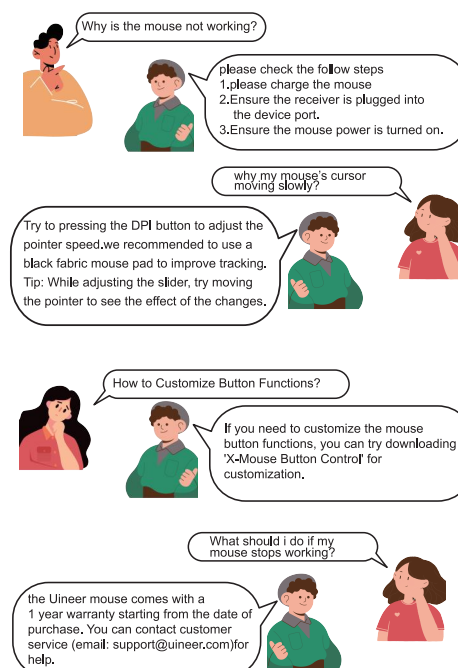

- ①USBレシーバーを取り外します
- ②デバイスのUSBポートに挿入します
- ③マウスをオンにします

マウスの充電

- 1.充電ケーブルの一方の端をマウスに接続し、もう一方の端をコンピューターデバイスのUSB-Aポートに接続します。
- 2.最適なパフォーマンスを得るには、初めて使用する前にマウスを完全に充電することをお勧めします。
- 3.マウスの充電中は、スクロールホイールの隙間にある赤いライトが点灯し、マウスが完全に充電されると消えます。充電には約3時間かかります。

Safety Guide

- Avoid exposing the mouse to water or any other liquids. If the mouse gets wet, disconnect it immediately and allow it to dry thoroughly before using it again.
 - Do not expose the mouse to extreme temperatures. Store and use the mouse in a place with a temperature range of 0°C to 40°C (32°F to 104°F).
 - Do not place the mouse near strong magnetic fields, as this may interfere with its operation.
 - Recommend to Use the provided charging cable and follow the charging instructions.
 - Small parts and the battery could pose a choking hazard to young children. Keep the mouse out of reach of children.
- Always follow the instructions for use and maintenance of the mouse. If you experience any issues, refer to the troubleshooting section of the manual or contact customer support.

After-Sales Warranty Policy

Thank you for purchasing the Uineer mouse. To ensure you have the best experience, the Uineer mouse comes with a one-year warranty starting from the date of purchase. Under normal use, if the mouse malfunctions due to material or workmanship issues, Uineer will replace the product free of charge (if the product model has been discontinued, Uineer will provide an equivalent value replacement). The warranty service only applies to the product itself and does not cover damages caused by accidents, misuse, improper use, or unauthorized modifications. To apply for warranty service, please contact Uineer customer service through the official Uineer website or via email. When contacting us, please include your purchase order number and a description of the issue. For any questions or more information, please visit the official Uineer website or contact the Uineer customer service center. Thank you for choosing Uineer products, and we wish you a pleasant experience!
