Use Instructions

How to Charge

1. Connect the watch to the connector and ensure pogo pins on the back of watch and the connector well attached.
2. Connect the cable to standard USB charger(output voltage and current is 5V and 2A respectively).
3. If the watch has not been used for a long term and cannot power on, please charge it at least 1 minute before it displays charge icon.
4. Please dry these pins and remove any sweat or water.

- Never disassemble or modify your Watch for any reasons to avoid any damages and danger.
- Do not store the earbuds in extreme temperatures (under 0°C or over 45°C).
- Do not use the earbuds during a thunderstorm to avoid dysfunction and increasing risk of electricshock.

Notes: Please arrange using time properly as your hearing may be damaged by using the device for a long time.
