

T2

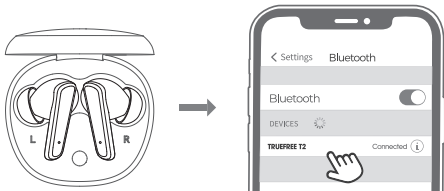

WIRELESS EARBUDS

TRUEFREE

User Guide

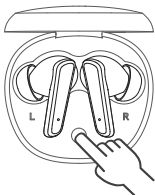

Pairing

1. Open the charging case cover, and the left and right earphones will automatically turn on and enter the mutual pairing state. When the light on one earphone flashes red and blue alternately and the other earphone stays in blue, the two earphones are successfully paired, and they enter the pairing mode.
2. Turn on your device's Bluetooth and select TRUEFREE T2 from the Bluetooth list to complete the pairing.

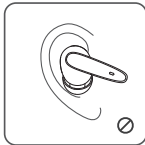

Reset

1. Place the earphones back into the charging case, and make sure they are correctly placed.
2. With the charging case lid open, press and hold the button on the charging case for 10 seconds until the lights on the earphones flash red and blue alternately twice, the reset is complete.
3. Close the charging case lid and re-open it, the earphones are activated.

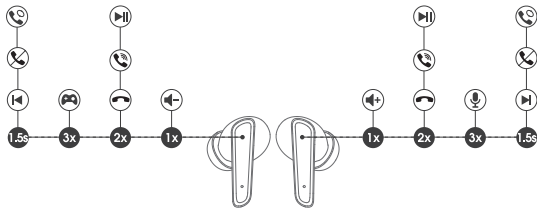

Wearing

1. Identify the left earphone and the right earphone.
2. Adjust the earphones to fit your ears.

Q&A**Q1: What does the indicator light of the charging case display?**

1. The battery life of the charging case:

100%—50%	Green light
49%-10%	Yellow light
Less than 10%	Red light

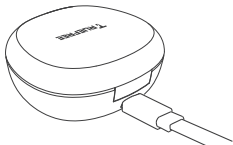

2. Charging status of the charging case:

0%-20%	Red light flashes slowly
21%-69%	Yellow light flashes slowly
70%-99%	Green light flashes slowly
100%	Green light stays on

Q2: How to charge the charging case?

1. Connect the charging case to a Type-C charger. (The current does not exceed 1A).
2. If the earphones stay idle for an extended period, charge them at least every three months to prevent the battery from being damaged.

**Q3: Why are the earphones still connected to the phone when they are put back to the charging case and the case lid is closed?**

1. Check whether the charging case has battery power. If it has run out of battery, closing it will not disconnect the earphones from the device.
2. Make sure the earphones are properly placed in the charging case and the charging contacts on the earphones and charging case are all clean. Please use a soft cloth and a bit of alcohol to clean the contact points on the earphones and the charging case.
