Precautions:

- Do not exceed the maximum weight capacity of 10 lb (4.5 kg) per tray.
- Ensure the mounting surface is clean, dry, and flat before installation.
- Allow the adhesive to fully cure for 24 hours before placing cables or power units on the tray.
- Do not install on uneven, damaged, or peeling surfaces.
- Keep away from open flames or direct heat sources.

Installation Instructions

1. Peel off the red protective film from the double-sided adhesive tape.
2. Attach the tray to the desired location under the desk.
3. Allow the double-sided tape to cure for 24 hours before use.
4. Place the cables and power supply units onto the tray.
5. Secure the cables using the included cable ties.

Cleaning:

- Wipe with a soft, dry or slightly damp cloth.
- Do not use abrasive or chemical cleaners.

Maintenance:

- Check periodically to ensure the tray is securely attached.
- Replace damaged cable ties if needed.

Storage:

- Clean before storing.
- Store in a cool, dry place away from direct sunlight.
