1 Color brightness (color light output) and white brightness (white light output) will vary depending on usage conditions. Color light output measured in accordance with IDMS 15.4; white light output measured in accordance with ISO 21118. | **2** 4K Enhancement Technology shifts each pixel to surpass Full HD resolution on screen. | **3** NFC requires use of a device that includes NFC and may require additional software. | **4** Wi-Fi equipped projector and compatible device required. Internet connection required for download. | **5** AirPlay requires an active network connection. Recommended wireless network connection of 25 Mbps or faster. Some apps require paid subscriptions. | **6** The projector supports direct peer-to-peer wireless casting of local content from Miracast-enabled devices or via the Epson iProjection app. Epson Classroom Connect requires that the projector and connecting devices be configured on a network, either through the Ethernet port on the projector or via a wireless connection. Epson Classroom Connect functionality may vary by platform. Internet connection required for downloads. Data usage fees may apply. | **7** No required maintenance for the light source for up to 30,000 hours (Extended Mode) or 20,000 hours (Normal Mode). Approximate time until brightness decreases 50% from first usage. Measured by acceleration test assuming use of 0.04 – 0.20 mg/m^3 of particulate matter. Time varies depending on usage conditions and environment. Replacement of parts other than the light source may be required in a shorter period. | **8** Expedited shipping not available in all areas. Orders must be placed and processed by 1 p.m. Pacific Time, Monday through Friday, excluding holidays, for Next-Business-Day delivery. See limited warranty or service plan for details. | **9** Split Screen feature requires remote control. Consult your user manual for input combinations. | **10** For convenient and reasonable recycling options, visit epson.com/recycle | **11** SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency. | **12** Product comes with a 3-year limited warranty with the option to purchase extended service plans up to a total of 5 years of continuous coverage. Extended service plan can be purchased at any time that you are covered under an Epson limited warranty or Epson extended service plan. See individual service plan for details.
