CONTROLS		SAFETY FOR YOU AND YOUR NOISE AIRWAVE	
Play/Pause Press the multifunction button once Previous Song Long press - Next Song Long press + Volume Up Short press + Volume Down Short press -	Answer/End a Call Short press the multifunction button once Reject Call Long press the multifunction button for 2 seconds Voice Assistant Press the multifunction button thrice Gaming Mode Long press the mode button for 2 seconds Switch Call Long press the multifunction button for 2 seconds EQ Mode Short press the mode button to switch between the 3 EQ modes	Follow these tips to get best out of your new Harmonics Prime - Do not expose the neckband to liquids, moisture or humidity as they have electronics and battery inside. - Don't use abrasive cleaning solvents to clean your new neckband. Wipe them down with a slightly damp cloth if and when necessary. - Remove and clean the earbud tips regularly to ensure that you always enjoy the best sound possible. - Do not expose the neckband to extremely high or low temperature as this may damage the battery or even deform the plastic parts. - Don't throw the neckband in a fire to dispose it. The internal battery may explode. - Don't try to disassemble your neckband. There are no user serviceable parts inside it. - Try not to drop the neckband and keep them away from sharp objects such as keys in your pockets. - Only charge your neckband from 5V USB ports such as phone chargers and laptops or PCs - Never listen to music at high volume or you may permanently damage your hearing. - Pay attention to your surroundings and never wear any earphones while riding, driving or walking in traffic.
