Power Utility Insulated Tool Set

Designed for professionals working around energized equipment, the Insulated Tool Kit includes a comprehensive selection of 1000V-rated insulated hand tools certified to ASTM F1505 and IEC 60900 standards. Featuring a white underlayer for insulation damage detection, heavy-duty construction, and Class 2 glove compatibility, the kit delivers safety and performance for utility work. A foam-lined case and 39-pocket tool runner keep tools protected, organized, and jobsite-ready.
