

## Important Information to Use OZI Sleep Tracker

### Safety Warnings

#### Strangulation Hazard

**▲ WARNING: Strangulation hazard. Keep the power cable away from infants and young children. Ensure the cable is routed safely and secured out of reach during use. Do not allow children to play with the cable.**

#### Choking Hazard

**▲ WARNING: Small parts. Choking hazard for children under 3 years of age. Keep small components away from infants and young children.**

#### Age Restriction

**Do not use the OZI Sleep Tracker with infants or young children. Serious injury or death could result if the sensor or power cable becomes wrapped around an infant or young child's neck during sleep.**

#### Electrical Safety:

- Keep power plug (charger) uncovered and well-ventilated.
- Do not use with damaged cords.
- Keep away from water and other liquids.
- Use only the included power plug (charger) and cable.
- As with any electrical device, there is a risk of electric shock if the OZI Sleep™ Tracker becomes wet while plugged in.

#### Regulatory Compliance

OZI Sleep Tracker complies with applicable United States regulations for wireless electronic devices.

#### FCC Compliance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference.
- This device must accept any interference received, including interference that may cause undesired operation.

OZI Sleep Tracker operates in the 2.4 and 5.0 GHz frequency band (WiFi and Bluetooth) and has been tested to comply with the limits for a Class B digital device pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Modification Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

#### FCC Radiation Exposure Statement

This device complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This device must operate with a minimum distance of 20 cm between the radiator and user body.

#### Electrical Safety

The included power plug (charger) is UL Listed and complies with applicable safety standards.

#### Operating Environment

- Operating Temperature: 0°C – 60°C (32°F – 104°F)
- Storage Temperature: -30°C – 70°C (-4°F – 140°F)
- Indoor Use Only

#### Product Classification & Disclaimer

OZI Sleep Tracker is intended for general wellness and lifestyle purposes only.

OZI Sleep Tracker is not a medical device and is not intended to diagnose, treat, cure, or prevent any disease or medical condition.

The information provided by OZI Sleep Tracker is for informational purposes only and should not be used as a substitute for professional medical advice, diagnosis, or treatment.

If you have any concerns about your health, heart rate, breathing, or sleep condition, please consult a qualified healthcare professional.

Do not disregard professional medical advice or delay seeking medical treatment based on information provided by this device.

#### Accuracy Disclaimer

Measurements provided by this device are estimates and may vary based on individual use conditions. The device is not intended for clinical

or diagnostic use.

#### Limited Warranty

OZI Sleep warrants this product against defects in materials and workmanship for a period of one (1) year from the date of original purchase.

What's Covered: Defects in materials and workmanship under normal use.

What's Not Covered: Damage caused by misuse, accidents, unauthorized modifications, improper installation, or normal wear and tear.

How to Make a Claim: Contact us at [service@ozisleep.com](mailto:service@ozisleep.com) or submit a warranty claim through the designated form at [www.ozisleep.com](https://www.ozisleep.com). Please include proof of purchase and a description of the issue.

Limitation of Liability: This warranty is the sole and exclusive warranty provided. OZI Sleep's liability is limited to repair or replacement of the defective product at our discretion. OZI Sleep shall not be liable for any incidental or consequential damages.

State Law Rights: Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

#### Privacy Notice

By using this device, you acknowledge and agree to the collection and processing of data as described in our Privacy Policy available at <https://ozisleep.com/policies/privacy-policy>

#### Age and Supervision

This product is not a toy. Adult supervision is required when used in environments with children.

#### Use Instructions

- Place the device under the sheet on a flat, stable surface.
- Do not fold, bend, or place heavy objects directly on the tracker, power plug (charger), and control box.
- Keep the device dry and away from liquids.
- Use only the included power plug (charger) and power cable.
- Do not use if the power cable is damaged or frayed.

More safety information in the "Important Safety Information" section.

#### Disposal and Recycling

This product contains electronic components and should be disposed of in accordance with local electronic waste regulations. Do not dispose of this product in household waste. Contact your local waste management authority for information on proper disposal and recycling options in your area.

#### California Proposition 65

**▲ WARNING:** This product can expose you to chemicals known to the State of California to cause cancer or reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

#### Care Instructions

Instructions for how to properly take care of your OZI Sleep Tracker and maximize its lifespan.

1. Clean the top side of the OZI Sleep Tracker with a damp cloth if needed.
2. Do not wash the OZI Sleep Tracker in a washing machine or dry it in a dryer. Doing so will damage the device and void your warranty.
3. Do not attempt to repair the sensor, cable, or power plug (charger). There are no user-serviceable parts inside. Contact us if you need assistance with your OZI Sleep Tracker.
4. When making your bed, handle the OZI Sleep Tracker and its power cable carefully to avoid damage. If you use an adjustable mattress or rollaway bed, do not fold the OZI Sleep Tracker or its cable into the bed. Do not allow the OZI Sleep Tracker or cable to become folded, pinched, or tangled in bedding.
5. Your OZI Sleep Tracker includes a power plug (charger). Use only the included plug to power the device. Using other electronic devices may result in power fluctuations or damage to the OZI Sleep Tracker. Connecting the power cable to other electronics is done at your own risk.

### Important Safety Information

Read and understand these warnings. Failure to follow these instructions could result in death or serious injury.

1. The OZI Sleep Tracker is not a medical device. It is not designed or intended to diagnose, treat, cure, or prevent any medical condition. Do not use it for medical purposes. Consult a qualified healthcare professional for the prevention, diagnosis, or treatment of sleep disorders or any other medical condition.
2. Route the OZI Sleep Tracker cable carefully to avoid creating a tripping hazard.
3. Do not use the OZI Sleep Tracker with infants or young children. Serious injury or death could result if the sensor or power cable becomes wrapped around an infant's or young child's neck during sleep.
4. If your sleeping environment or habits create a risk of entanglement with bedside cords or under-sheet sleep tracking devices, do not use the OZI Sleep Tracker.
5. The OZI Sleep Tracker is not a baby monitor. It does not monitor infants and will not alert you to breathing irregularities, sleep disturbances, or other medical emergencies.
6. Do not use the OZI Sleep Tracker near water or other liquids. As with any electrical device, there is a risk of electric shock if the OZI Sleep Tracker becomes wet while plugged in.
7. Do not disassemble the OZI Sleep Tracker or its control box. There are no user-serviceable parts inside. Refer to the Use and Care Instructions for guidance on replacing adhesive components if applicable.
