Fire Pits

23 or 36-Inch Diameter

These fire pits provide warmth and atmosphere for your patio or campsite while the attractive decor fits any outdoor space.

Features:

- Heavy 11-gauge steel, powder coated in a high-temp black finish
- Two-piece welded design
- 5-inch base to contain both fire and ashes
- Laser engraved outdoor scene

Customized Laser Engraving (FX-0001):

- Substitutes the standard laser engraved outdoor scene with custom laser engraved artwork as requested. Consult factory for more information.
