## ***Usage Instructions***

1. **Before First Use:** Wash the baking pan and plastic lid with warm soapy water, then rinse and dry thoroughly.
2. **Baking Use:** Preheat the oven before placing the baking pan inside.  
Do not exceed the maximum temperature of 446°F.
3. **Lid Use:** The plastic lid is designed for storage purposes only.  
Do not place the lid in the oven or expose it to high heat.
4. **Safe Storage:** The baking pan and lid are stackable for convenient storage.

## ***Cleaning, Maintenance & Storage Guide***

### **Cleaning:**

- Pan and lid are dishwasher safe.
- For handwashing, use a soft sponge with mild dish soap.
- Avoid abrasive pads or metal utensils to protect the non-stick coating.

### **Maintenance:**

- Do not cut food directly in the pan to avoid damaging the surface.
- Avoid rapid temperature changes (e.g., placing a hot pan in cold water).

### **Storage:**

- Dry both the pan and lid completely before storing.
- Store in a cool, dry place.
- Use the plastic lid for convenient covered storage of baked goods or leftovers.

## ***Safety Precautions***

- Always use oven mitts when handling a hot baking pan.
- Do not use the plastic lid in the oven or microwave.
- Keep out of reach of children while hot or in use.

## ***Register Product***

Thank you for choosing NutriChef. By registering your product, you ensure that you receive the full benefits of our exclusive warranty and personalized customer support. Complete the form to access expert support and to keep your NutriChef purchase in perfect condition.
