Cat Litter Pads *1

Litter Scoop *1

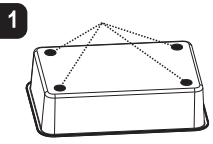

User Manual*1

Non-slip Pads*4

Product Installation Process:

Step 1

1.Paste the non-slip pads onto the four corners on the bottom of the metal base.

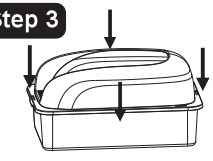

Method 1:

Step 2

2.Place the enclosure over the metal base, aligning the front and back edges.

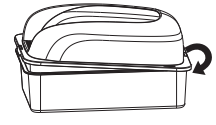

Step 3

3.Press down firmly along the front, back, and sides to secure the enclosure.

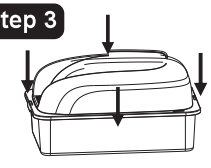

Method 2:

Step 2

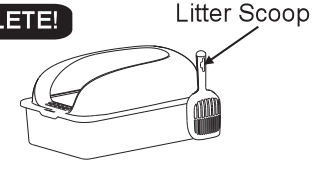

2.Position one end of the enclosure over the edge of the metal base. Press down to secure it in place.

Step 3

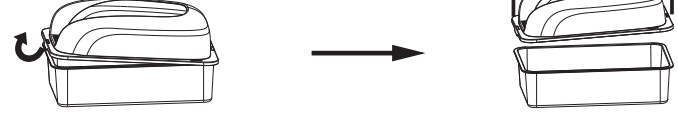

3.Repeat the same steps on the other end to complete the installation.

COMPLETE!

How to Remove:

Lift one side of the enclosure to begin removal. Then, continue lifting along the edges to fully detach it from the base.

How to Help Your Cat Adapt to the Litter Box Quickly:

Place some used litter and the cat's waste into the new litter box to provide a familiar scent. This will help the cat recognize and accept it as its toilet.
