Dos and Don'ts

To ensure safe operations for your headset, please follow these rules:

1. Keep the headset away from excessive water, and do not immerse it anywhere.
2. When not in use, switch off the headset to conserve battery.
3. If the product is defective, kindly do not attempt to fix it yourself. We recommend professional help.
4. Do not use attachments that are not meant for the headset.
5. Only use a dry, soft cloth to clean the earphones..
