IMPACT DRIVER BIT SETS

IMPACT RATED

KLEIN TOOLS®

IMPACT DRIVER BIT SETS

Impact driver bits were created for the professional tradesman and do-it-yourself enthusiasts. All of the bits are made of high-impact rated S2 steel. The 3-Inch bit holder and 1/4-Inch and 5/16-Inch nut drivers have strong magnets to easily hold bits and fasteners in place. Minimal chamfering on the nut driver hex pockets increases surface contact between the nut and driver for better performance.
