### - FOR INDOOR USE ONLY -

## IMPORTANT SAFEGUARDS

### Definitions

Whenever used, the following identify safety and property damage messages and describe a level of hazard seriousness.

- ⚠** This is the safety alert symbol. It alerts you to potential personal injury hazards. Obey all safety messages that follow this symbol to avoid possible injury or death.

**DANGER** - Indicates an imminently hazardous situation, which, if not avoided, will result in death or serious injury. Usage of this signal word is limited to the most extreme situations.

**WARNING** - Indicates a potentially hazardous situation, which, if not avoided, could result in death or serious injury.

**CAUTION** - Indicates a potentially hazardous situation, which, if not avoided, may result in minor/moderate injury.

**NOTICE** - Addresses practices not related to personal injury, such as product and/or property damage.

## READ ALL INSTRUCTIONS BEFORE USE.

### CAUTION - To reduce the risk of personal injury:

- This product is intended solely for non-commercial, non-industrial, indoor use in controlling the functions of select electronic devices. Do not use the product outdoors or for any other purpose than intended.
- Do not use the product near, or immerse the product in, water or other liquids. Do not subject the product to violent shocks or extreme temperatures.

### Battery Handling and Usage:

- WARNING** - To reduce the risk of serious personal injury:
  - Keep batteries away from children. Only adults should handle batteries.
  - Follow the battery manufacturer's safety and usage instructions.

- Never throw batteries into a fire. Dispose or recycle spent/discharged batteries in compliance with all applicable laws.
- CAUTION** - To reduce the risk of personal injury:
  - Always use the size and type of battery indicated. Insert the batteries observing the proper polarity (+/-) as indicated.
  - Do not mix a used battery with a new battery, or mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.

**NOTICE** - To reduce the risk of product and/or property damage:

- Clean the battery contacts and those of the device prior to installation.
- Remove spent or discharged batteries from the product.
- Replace the batteries when not using the product for an extended period.

**IMPORTANT INFORMATION REQUIRED BY THE FCC**  
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and it is not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Consult the dealer or an experienced radio TV technician for help.

**NOTICE:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
