<p>Translation & AI Assistant Translation Functions</p> <ol style="list-style-type: none"> Conversation Mode: Talk naturally with another person. Select languages in the app, tap the mic, and start speaking. Voice Translation: Speak into your phone and get instant translation in your selected language. Text Translation: Type any text in the app and translate it instantly. Simultaneous Interpretation: Speak continuously while the app translates your speech in real time. Dialogue Mode: Two people take turns speaking. Tap the mic to translate each sentence. 	<p>Translation & AI Assistant AI Assistant</p> <ul style="list-style-type: none"> AI Chat Text-to-Image Generation Recording Summaries <p>For more features, please refer to the Langsdom App.</p> <p>Translation Functions</p> <p>To enable AI features: Open the Langsdom App, scan the QR code on the AI Translation Activation Card, and follow the instructions.</p>	<p>Storage & Care</p> <ul style="list-style-type: none"> Store in a cool, dry place away from direct sunlight. Keep the product clean and dry after use, especially after workouts. Avoid exposure to extreme temperatures, humidity, or corrosive environments. Do not place heavy objects on the headphones to prevent deformation. Use a soft, dry cloth to clean. Do not use alcohol or harsh chemicals. If not used for a long period, charge the device every 3 months to maintain battery health. <p>Hearing Protection</p> <p>To prevent potential hearing damage, please follow these guidelines:</p> <ul style="list-style-type: none"> Do not listen at high volume levels for extended periods. Start with a low volume and gradually increase to a comfortable level. Prolonged exposure to loud sound may cause permanent hearing loss. If you experience ringing in your ears or discomfort, stop using the product immediately. Keep volume at a level where you can still hear surrounding sounds, especially during outdoor activities. 	<p>Safety Instructions</p> <ul style="list-style-type: none"> This product is designed for open-ear listening to help you stay aware of your surroundings; however, always remain attentive to traffic and environmental hazards. Do not use the product in situations that require full attention (e.g., driving, operating machinery). Use caution when running or cycling near traffic, intersections, or crowded areas. Keep the products and accessories out of reach of children. Do not attempt to disassemble or modify the product. Avoid dropping, crushing, or exposing the product to strong impact. <p>Water & Sweat Resistance</p> <ul style="list-style-type: none"> This product features IP65 water and sweat resistance. It is suitable for workouts and light rain but not intended for swimming, diving, or prolonged water immersion. Ensure the charging port is completely dry before charging. Damage caused by improper use in water is not covered under warranty.
<p>Charging Safety</p> <ul style="list-style-type: none"> Use only certified charging cables and power sources. Do not charge the device in wet or humid environments. Disconnect the device once fully charged. Stop using immediately if you notice overheating, unusual odor, or damage. <p>General Notice</p> <ul style="list-style-type: none"> Product specifications may change without prior notice. For more information, please visit the official website or contact customer support. 	<p>FCC FCC ID: 2AZDD-TS29A FCC Statement</p> <p>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the users are encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> Reorient or separate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. 	<p>Any charger or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules.</p> <p>Operation is subject to the following two conditions:</p> <p>(1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.</p> <p>The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p>	<p>CE Declaration of Conformity</p> <p>Hereby, Guangzhou Langston Electronic Technology Co, Ltd declares that this product is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU.</p> <p>Manufacturer Declarations</p> <p>Warranty</p> <p>This product is covered by a 12-month warranty. For details, please visit: www.langsdom.com</p> <p>Support</p> <p>For support, please contact your authorized Langsdom distributor.</p>
