The QEP® 700XT 7" Wet Tile Saw makes straight, diagonal, profile and bevel cuts on a wide array of tile and stone material. The powerful, 3/4 horsepower, 550 Watt motor cuts tile up to 1 1/4" thick. The included 7" continuous rim diamond blade, table extension, rip guide and angle guide make this wet saw perfect for most cutting jobs. For porcelain and hard tiles, use QEP's Black Widow Blade, 6-7008BW. This cutter includes a wrench to quickly change blades.
