- （一）关机状态下，长按耳机开关键，直到红蓝交替闪烁后在松开。

- （二）开启蓝牙功能，搜索蓝牙设备

配对成功后，蓝灯闪烁并会有语音提示已连接。

产品参数：

RF发射功率:90DB	信号传送频道: Cass12
佩戴方式: 半入耳式佩戴	麦克风灵敏度: ~42DB
传输范围:10~15米	传输速率:24MBPS
通话时间: 6~7小时	听歌时间: 6~7小时
输入电压:DC5V-1A (max)	充电时间:1.5小时
待机时间:150小时	输入电压:DC5V1A
输入电流: 1A	输出: 5V/160mA (Max)
输出: 2.1A	容量: 足200毫安
耳机电池: 35毫安	净重: 3.7克
耳机毛重: 17克	尺寸:13x17x17.5mm

产品介绍：

MINI-X20:

特别提示：请使用DC5V输出的电源适配器给本产品充电，不得使用三头产品的电源适配器，使用三头产品的电源适配器充电容易造成产品损坏，给用户不听的带来一切问题，厂家不予负责。

WIRELESS BLUETOOTH HEADSET DESCRIPTION

Product model: SQRMINI-X20

Precautions:

1. Please store and use this product in a normal temperature environment;
2. Do not expose this product to rain or moisture;
3. Do not throw it away to avoid product damage caused by falling;
4. Do not disassemble, repair and modify this product by yourself;
5. Do not use chemical solvents to wipe this product;
6. do not discard, or as high temperature (temperature is higher than 60 °) and fire, To avoid danger!

Voice Prompts:

1. When the phone is turned on, the headset will automatically prompt "boot".
2. When the computer is turned off, the headset will automatically prompt "Shutdown".
3. When the pairing is successful, the headset will automatically prompt "Connected".
4. When disconnected, the headset will automatically prompt "disconnected".
5. when the battery is low, the headset will automatically voice prompt "low battery"

Product Overview:

- 1, product description (use)
Mobile phone Bluetooth signal connection, support music, voice control, call power Yes, NFC function, multi-point connection.
2. Scope of application: (mobile phone series, system version requirements)
iPhone series, system version ios7.0 or above.
Android series, hardware minimum requirements: 2G RAM, system version 4.1 or above

MINI-X20:

Special Tips:

Please use the power adapter of DC5V output to charge this product. Do not use the power adapter of the three-nit product. Using the power adapter of the three-nit product will damage the product, because the user does not listen to the advice causes all questions, the manufacturer, does not grant the responsibility.

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE 1: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
