24" Signature Series Refrigerator

MEET THE INDUSTRY'S WIDEST SELECTION OF **OUTDOOR REFRIGERATION**

With **over 125 models** to choose from, Perlick boasts the largest portfolio of undercounter refrigeration that is UL-rated for outdoor use. Available in 15- and 24-inch configurations, Perlick Refrigerators, Beverage Centers, Wine Reserves, Beer Dispensers, Freezers and Clear Ice Makers are designed to take your outdoor entertaining space to the next level.

Perlick's new **Signature Series Dual-Zone** models offer two independently-controlled temperature zones within a single 24" footprint to make the most out of your available space. The **Signature Sottile collection** of 18" depth refrigeration is perfect for balcony patios that require an appliance with a shallow depth.

Learn more about what makes Perlick outdoor models special below.

Store fresh herbs, citrus, snacks
and beverages in Perlick's industry
exclusive **15" Signature Series**
Outdoor Refrigerator Drawers

A full line of **accessories**
take your Perlick from day to
night, including our industry
exclusive **Martini Rack** –
perfect for entertaining

Perlick's exclusive **Signature Series Flow Control Faucet** is constructed of stainless steel and features the industry exclusive flow control lever to expertly pour your favorite craft beers.

RAPIDcool forced air-cooled dispensing towers keep beer cold from the keg to the faucet by circulating cold through and around beer lines.

The unmatched cooling power of Perlick's **RAPIDcool forced-air refrigeration system** keeps food at a safe and consistent temperature – even on hot summer days.

CRAFTSMANSHIP IS IN OUR DNA

We're a family-owned company, spanning 100 years and five generations of Perlick family members who are dedicated to providing the industry's highest quality commercial and residential refrigeration. Every Perlick refrigerator is built to exacting standards to meet strict commercial regulations, which means you can be confident that your Perlick is built to last under even the heaviest usage.

We've mastered the art of balancing innovation and craftsmanship. You can trust Perlick to provide precision temperature control and build every unit with the finest features and materials.

THE MOST INNOVATIVE REFRIGERATION SYSTEM IN THE **INDUSTRY**

Perlick has refrigeration down to a science. With a century's worth of experience in designing, engineering, and manufacturing bar and beverage refrigeration for the commercial market, we've mastered the art of building cutting edge refrigeration systems that balance power and precision. **All Perlick models boast RAPIDcool forced-air refrigeration, providing the industry's fastest product temperature pulldown and unmatched temperature consistency.** Read on to learn how Perlick compares to competitor refrigeration systems.

PERLICK RAPIDCOOL FORCED-AIR REFRIGERATION

7x

AIR IS BLOWN WITH A POWERFUL FAN THROUGH THOUSANDS OF ALUMINUM FINS, PROVIDING SUPERIOR COOLING WITH 7X THE COOLING SURFACE COMPARED TO COLD PLATE MODELS

AIR IS BLOWN OVER A THIN ALUMINUM SHEET KNOWN AS A COLD PLATE

FIND YOUR PERFECT PERLICK

MEET THE **PERLICK SIGNATURE SERIES**

Our flagship collection of undercounter refrigeration, the Perlick Signature Series of product comes in a variety of sizes and styles to fit any space and storage needs. It's the crème de la crème of undercounter refrigeration – every Signature Series model is available for indoor or outdoor use.

- Available in 15-, 24- and 48-inch models, as well as world exclusive Sottile models that feature an 18" depth
- Robust refrigeration system powered by Perlick's exclusive variable speed compressor* provides industry-leading cooling capabilities and intuitive temperature control – which means system will only run when it senses a temperature rise
- Front vented, RAPIDcool™ forced air refrigeration system provides unmatched temperature pulldown and consistency
- Rated for beverages and open food storage
- State-of-the-art digital temperature control in all models
- Illuminated by dual-color LED lighting, giving you the option of Crisp White or Cool Blue lighting with just the press of a button
- Stainless steel interiors and exteriors
- All Signature Series products are available as indoor or UL-rated outdoor models
- Industry Exclusive Sottile undercounter refrigeration that measures just 18" deep with recessed plug
- Measuring 32" tall, the Sottile collection is ADA Compliant for accessible design
- Signature Sottile models are NSF rated for open package food

**15" models and 24" Freezer models feature standard compressor*

C-SERIES

Inspired by our commercial offering, the C-Series includes a thoughtful selection of features in a 24" width. Select outdoor models available.

- Robust refrigeration system featuring Perlick's exclusive front vented, RAPIDcool™ forced air refrigeration system
- Rated for beverages and open food storage
- C-Series digital temperature control and interior lighting in all models
- Stainless steel interiors

ADA-COMPLIANT SERIES

Meet the industry's widest selection of ADA compliant undercounter refrigeration. Featuring superior refrigeration and stainless steel interiors, it's a designer favorite for both residential and light commercial projects.

- 32" height for ADA compliance and accessible design
- Robust refrigeration system featuring Perlick's exclusive front vented, RAPIDcool™ forced air refrigeration system
- Rated for beverages and open food storage
- Adjustable temperature control and interior lighting in all models
- Stainless steel interiors

FREEZERS

When it comes to stylish freezer solutions, Perlick has thought of it all. Quiet, powerful and energy efficient, all Perlick freezers – including the all new Signature Series Dual-Zone Freezer/Refrigerator Drawers – feature forced-air refrigeration and maintenance-free defrosting. We’re all about the ‘set it and forget it’ mentality.

Maintenance-Free

Maintenance-free defrosting makes owning and maintaining Perlick freezers simple

The Beauty of Stainless

Perlick’s sleek stainless steel interiors are easy to clean and resistant to odors, stains and mold – it’s what the professionals demand in their kitchens

Precision and Control

Perlick’s state-of-the-art digital controller provides precise temperature readout and adjusts automatically for temperature consistency

BEER DISPENSERS

Perlick is the brand professionals trust to dispense beer at their bars, restaurants and stadiums around the world. We've taken the same, innovative technology we've been developing since prohibition to bring you the industry's best residential beer dispensers.

Power and Control

*Perlick patented dispensing technology, including the **Perlick 650SS Stainless Steel Flow Control Faucet**, works in tandem with Perlick's powerful refrigeration system to serve the perfect beer, pour after pour.*

RAPIDcool Technology

*All models feature **Perlick's exclusive RAPIDcool forced-air refrigeration system** for unmatched cooling capabilities and temperature control in the cabinet and up through the tower*

Unmatched Construction

***Two-inch Thick Foamed-in-Place Insulation** provides industry leading protection against outside ambient. **Stainless steel interiors** are heavy duty enough to stand up to kegs, and are sanitary for easy cleaning*

IT'S WHY THE PROFESSIONALS PREFER PERLICK BEER DISPENSING TECHNOLOGY

Perlick proudly designs and manufactures refrigeration and beer dispensing systems for bars, restaurants, and professional stadiums around the world. We've spent decades developing proprietary technologies in both refrigeration and beverage dispensing to serve that perfect cold beer to crowds of thousands, and you can enjoy the same quality in the comfort of your own home.

Pour your beer like the pros do with Perlick's full line of residential indoor and outdoor beer dispensers.

Perlick designed and engineered 630SS and 650SS (*shown*) beer faucets are stainless steel and standard on all models – **it's what the professionals use**

Adjust the speed of the pour for multiple craft beers or when foaming occurs. It's another award-winning **Perlick exclusive** you won't find anywhere else.

Towers are air-cooled with **RAPIDcool™ forced-air technology** to keep beer cold from keg to faucet

Perlick's exclusive accessory S Series Lo-Boy keg coupler available for all beer dispenser models (for Newcastle, Stella Artois, Strongbow, Pilsner Urquell, Heineken, etc.)

CLEAR ICE MAKERS

A beverage is only as good as the ice that keeps it cold. That's why Perlick's clear ice makers produce uniquely shaped top hat ice. The shape, combined with the way the ice is made, ensures each and every piece of ice is free of impurities so that your signature cocktail is the star of the show.

The Science of Perfect Ice

Perlick's **unique top hat shaped ice** isn't just pleasing to the eye, it's how we achieve perfect ice. Not only does it prevent clumping, the design results in crystal clear, tasteless and odorless ice that melts slower than a traditional ice cube.

Ice When You Need It

Enjoy Perlick's clear ice anytime you want. Our Clear Ice Makers produce up to 55 lbs of perfect ice a day – plenty to keep drinks cold at your next party.

Ice Indoors or Outdoors

All Perlick Clear Ice Makers are Indoor/UL Outdoor rated, making them the perfect addition to any space inside or outside the home.
