USB-C TO DUAL MAGNETIC CHARGING CABLE

WHAT'S INCLUDED

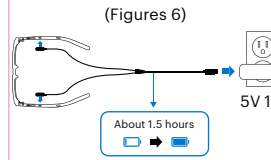

CHARGING

Before first use, fully charge **both temples**.

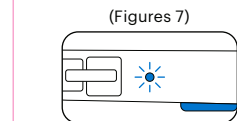

1. Attach one Magnetic Connector to the Gold-plated Charging Contacts on each temple.
2. Connect the USB-C plug to a compatible 5V/1A USB power adapter.

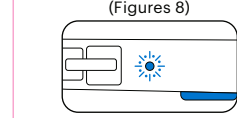

Auto power OFF during charging. Power ON **manually** after charging.

LED Indicators

Charging: **Red** light ON.

Fully charged: **Green** light ON.

SAFETY INSTRUCTIONS

- Warning**
 - Do not repair or modify the product.
 - Do not use if the product is damaged.
 - Keep away from water, fire and excessive heat.
 - Use only the supplied USB-C magnetic charging cable.
 - Do not look directly at the sun.

Battery
Charge: 0°C to 50°C.
Operate: -15°C to 55°C.

Cleaning
Clean with a microfiber cloth. Keep charging contacts dry. Do not use alcohol, solvents, abrasives, or compressed air.

Privacy
Bluetooth audio only. No personal data is stored or uploaded.

Disposal
Dispose of according to local e-waste regulations.

REGULATORY NOTICES

Warning
This product can expose you to chemicals including Bisphenol A (BPA), which is known to the State of California to cause birth defects or other reproductive harm. For more information go to: www.P65Warnings.ca.gov

Impact Resistance: This product complies with the impact resistance requirements of **21 CFR 801.410**.

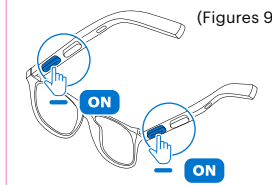

OPERATION

Control Guide

Control Action		Control Action	
	Single press		Double press
	Press and hold		

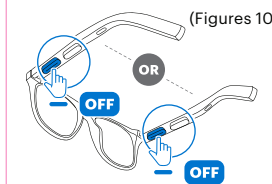

Power On/Off

Press and hold **Button A** on **each** temple for 3 sec. Both temples will automatically pair.

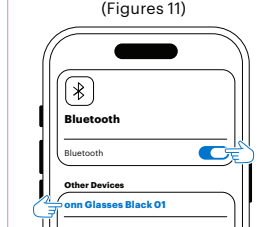

Power Off

Press and hold **Button A** on **either** temple for 5 sec.

If the glasses are not connected to a device within 3 min, both temples will automatically Power OFF.

Pairing

1. Power ON both temples.
2. Enable Bluetooth on your smartphone.
3. Select the Bluetooth device name "onn Glasses Black 01".
4. A confirmation tone indicates successful pairing.

Unpairing

Remove the Bluetooth connection from your smartphone.

1. Open the Bluetooth settings on your smartphone.
2. Select the connected "onn Glasses Black 01" device.
3. Select "Forget This Device" or "Unpair".
4. Pairing mode starts automatically. Powers off after 3 minutes if not paired.

Reset Pairing

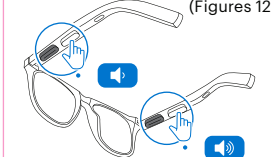

Use this if the glasses cannot connect or pairing problems occur.

1. Power ON both temples.
2. If connected, disconnect the glasses from Bluetooth.
3. Press **Button A** 5 times on either temple.
4. Pair the glasses again.

If only one temple resets, repeat Step 3 on the other temple.

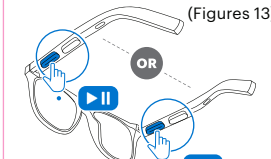

Volume

Press once **Left Button / Right Button** for Volume - / +.

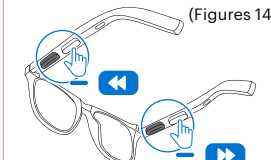

Music Play / Pause

Press once **Button A** on **either** temple.

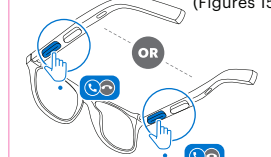

Previous / Next Track

Press and hold **Left Button / Right Button** for Previous / Next track.

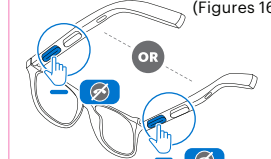

Calls

Press once **Button A** on **either** temple.

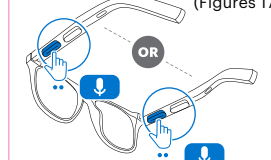

Reject

Press and Hold 1 sec **Button A** on **either** temple.

Voice Assistant Siri / Google Assistant

Press 2 times **Button A** on **either** temple.

TROUBLE-SHOOTING

Problem		Solution
Cannot power ON		Charge for 10-15 minutes, then press and hold Buttons A on both Left and Right Temples for 3 seconds.
Cannot pair		Enable Bluetooth, delete previous pairing, then reconnect.
Poor audio quality		Keep the phone within Bluetooth range and remove sources of interference.
Connection issues		Turn ON both temples, disconnect Bluetooth, then reset pairing and reconnect.
Charging does not start		Check that both magnetic connectors are attached correctly and the USB-C cable is connected.

FCC COMPLIANCE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

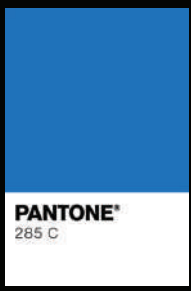

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC RF Exposure Statement: This device complies with FCC RF exposure requirements for portable use.

Warning
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.
