| <div>FCC Warning</div> <div>1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) any interference must be accepted without any interference received, including interference that may cause undesired operation.</div> <div>NOTE 1: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: -Reorient or relocate the receiving antenna. -Increase the separation between the equipment and receiver. -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. -Consult the dealer or an experienced radio/TV technician for help.</div> <div>NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</div> <div>The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</div> | <div>En/英語</div> <div><b>I. Connection Operation</b><br/>When connecting a Bluetooth device, please turn off your phone's Bluetooth first, wait for the two earbuds to pair automatically, and then turn Bluetooth back on. When only one earbuds's indicator light flashes, or both earbuds' indicator lights flash slowly, it indicates successful pairing; if the indicator lights flash rapidly, pairing has failed. After successful pairing, turn on your phone's Bluetooth and search for the pairing name to connect.</div> <div><b>II. Function Operation:</b><br/>(1) Long press for 3 seconds: Wake up the voice assistant and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.
