| Operate distance: 10m | Operate distance: 10m |
| Switch rating: 10 million presses | DPI: 800-1200-1600 |
| Battery: 1.5V-AA (not include) | Switch rating: 3 million clicks |
| Working current: 10mA | Polling rate: 125Hz |
| Key route: 2.6±0.3mm | Battery: 1.5V-AA (not include) |
| Operating force: 50±10g | Working current: 15mA |
| Size: 431*152*26mm | Size: 112 x 63 x 38 mm |
| Weight: 546g | Weight: 68g |

OS support: Windows98/Me/2000/XP/Vista/7/8/10

SAFETY NOTES

- Keep the equipment dry. Keep away from precipitation, humidity, all types of liquids and condensation.
- Do not use the product with wet hands.
- Do not use or store the equipment in dusty or dirty areas.
- Do not store the equipment under high-temperature or low-temperature conditions (this may damage it).
- Do not drop, knock or shake the equipment (use may result in breakage).

INSTALLATION

Connect the keyboard and mouse to the available USB ports on your computer. If the peripherals are used for the first time wait approx. 15 seconds until the generic driver is installed.

USE

KEYBOARD

Independent Multimedia:

Pause / Play - Stop - Previous Song - Next Song - Volume Down
- Volume Up - My Computer - Search - Refresh - Calculator

FN shortcut keys:

- FN+F1 = Player
- FN+F2 = Volume Down
- FN+F3 = Volume Up
- FN+F4 = Mute
- FN+F5 = Previous Song
- FN+F6 = Next Song
- FN+F7 = Pause / Play
- FN+F8 = Stop
- FN+F9 = Internet
- FN+F10 = Mail
- FN+F11 = My computer
- FN+F12 = Favorites folder (web browser)

MOUSE

Press the button below the scroll wheel to change the sensitivity according to predefined DPI steps.

Power saving instructions: 10 minutes without operation into sleep mode, press any key to wake up.

Keyboard matching:

Press and hold "ESC+Q" for 3 seconds to enter the pairing state. At this time, the battery icon flashes red light, and then plug in the 2.4G receiver to pair successfully.

The mouse is code-free, and the factory has paired.

Warranty Card is the important certificate for after-sale service of Marvo products, please keep it appropriately.

NOTE: Specifications and design are subject to change without notice due to product improvements.

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 0cm between the radiator and your body.
