(The picture is for reference only, please refer to the actual object)

We continue to be committed to provide you tools with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Warning-To reduce the risk of injury, user must read instructions manual carefully.

------------------	--

	This product is subject to the provision of European Directive 2012/19/EC. The symbol showing a wheeled bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products marked as such may not be discarded with normal domestic waste, but must be taken to a collection point for recycling electrical and electronic devices

produits**

Ce produit est soumis aux dispositions de la directive européenne 2012/19/CE. Le symbole représentant une poubelle à roulettes barrée indique que le produit doit faire l'objet d'une collecte sélective des déchets dans l'Union européenne. Cela s'applique au produit et à tous les accessoires marqués de ce symbole. Les produits marqués comme tels ne peuvent pas être jetés avec les déchets ménagers normaux, mais doivent être déposés dans un point de collecte pour le recyclage des appareils électriques et électroniques.

Technical drawing of a mechanical part with dimensions:

- Overall width: 40
- Overall height: 20
- Top edge features:
 - Left side: R1.5
 - Center: 11 (total width), 7.6 (width of central feature), 6.4 (width of central feature), 1.7 (width of central feature)
 - Right side: 9 (total width), 1.75 (width of central feature), 0.55 (width of central feature)
- Internal features:
 - Central hole: $\varnothing 4.2$
 - Bottom hole: $\varnothing 4.2$
 - Bottom edge: 7.7 (width of central feature)
 - Right side: 1.2 (width of central feature)
- Other dimensions: 7.7 (width of central feature), 1.35 (width of central feature), 1.35 (width of central feature)

We continue to be committed to provide you tools with competitive price. "Save Half", "Half Price" or any other similar expressions used by us only represents an estimate of savings you might benefit from buying certain tools with us compared to the major top brands and does not necessarily mean to cover all categories of tools offered by us. You are kindly reminded to verify carefully when you are placing an order with us if you are actually saving half in comparison with the top major brands.

This is the original instruction, please read all manual instructions carefully before operating. VEVOR reserves a clear interpretation of our user manual. The appearance of the product shall be subject to the product you received. Please forgive us that we won't inform you again if there are any technology or software updates on our product.

Waarschuwing: om het risico op letsel te verkleinen, moet de gebruiker de gebruiksaanwijzing zorgvuldig lezen.

Dit product is onderworpen aan de bepalingen van de Europese richtlijn 2012/19/EG. Het symbool met een doorgestreepte afvalbak geeft aan dat het product in de Europese Unie gescheiden afvalinzameling vereist. Dit geldt voor het product en alle accessoires die met dit symbool zijn gemarkeerd. Producten die als zodanig zijn gemarkeerd, mogen niet met het normale huishoudelijke afval worden weggegooid, maar moeten worden ingeleverd bij een inzamelpunt voor recycling van elektrische en elektronische apparaten.
